Hospital Staffers Complete Reading Course by SWIU

A course in reading improvement conducted at St. Elizabeth Hospital in cooperation with Southwestern Illinois University's Quad-Cities campus was completed Tuesday evening by 17 staffers at the hospital. The course, which included 24 hours of training, was conducted by Aldo Schnack of the SWIU, technical and adult education staff, and diplomas and ribbons were presented to the graduates. Those honored in a ceremony Tuesday evening at the hospital were—Sister Mary Thomas, administrator; Sister Mary Frances, accountant; Sister Mary Jerome, obstetrics supervisor; Sister Mary Teresa, anesthetist; Sister Mary Stanisla, librarian; Sister Mary Marco, supervisor of the medical division; Sister Mary George, laboratory supervisor; Bernard Pinney, personnel director; Keith Pryor, inhalation therapist; Miss Ruth Ann Druhe, educational coordinator; Mrs. Lill Marzluff, printer; Mrs. Marietta Daniels, nursing service director and nurses; Mrs. Anna Hill, Mrs. Alberta Rongey and Mrs. Jane Lux.

Clock To Remind School Board Of Meeting Length

A clock is to be installed in the Granite City school board office at the suggestion of Dr. E. W. Walton, board member, who is among those favoring a curfew.

Meetings usually last beyond midnight and often reach 1 a.m., 2 a.m. and even 3:30. The meeting Monday ended at 11:45 p.m.

Dr. Walton has sometimes marked the time on a chalkboard at intervals (1, 1:10, 1:20) as a reminder to the board. The clock will aid in keeping the hour in mind, and further action to achieve earlier adjournments is regarded as a possibility.

Extra meetings are viewed as one way of avoiding late sessions, and an adjourned meeting has been set for next Monday night. Another potential tool is adoption of a strict deadline, such as 11 p.m. or midnight. The Granite City Council has an 11 o'clock limit.

Board presidents have utilized varying gavel-wielding techniques speed meetings. Board members regard it as a duty to air their views in detail on questions up for decision.

President Daniel Linder has called for major policy issues to be submitted in writing to board members for advance study so that they will be able to move more rapidly once the item is formally considered. He commented Monday night that if there is a curfew, it would be important that the board make a concerted effort to transact all pending business within the time allowed.

Assessment Discussion
Linder announced Monday night that the agenda for the June 8 meeting will include a review of assessment factors and their relationship to school finances; Granite City Township Assessor Von Dee Cruise will be asked to attend. Ways to publicize facets of the instructional program also will be discussed.

A summary of student accident insurance was submitted to board members Monday night for study.

\$88,000 Hall Damage
A report showed that hail damage to windows and roofs of Granite City schools in April amounted to \$88,121, including \$29,685 being spent on roof repairs, \$5670 on glass, \$1602 on awning repairs, \$992 on gutter repairs and \$171 on interior repairs. The loss is being fully covered by insurance, including payments for phases of the work done by school employees.

Football equipment purchases totaled \$4472, including \$2275 from Graham's Book Store, \$1671 from Economy Sporting Goods, \$88 from Markwort Sporting Goods and \$19 from McArthur Sporting Goods. Cafeteria small equipment totaling \$2916 was ordered from Peckless Hotel Supply, \$1604, Service Factory Stores, \$1101, Lysay Aluminum \$71, Edward

Other Bid Awards
School letter awards were ordered from Athletic Lettering Supply Co., \$504, Graham's, \$881, Dougherty, \$72. Douglas Sheet Metal Co. will install a clothes dryer exhaust at Coolidge junior high for \$80, and Dron Electric Co. will install Coolidge air-conditioner wiring for \$221.

Stappenbeck Book Bindery, Bloomington, Ill., was awarded library book binding for the coming year on the basis of its low bids on various sizes of books.

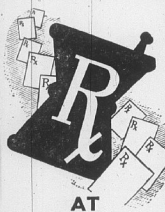

Bills paid totaled \$30,626 in the educational fund, \$13,500 in the transportation fund and \$3316 in the building fund.

Department Heads Named In Madison; Pazia Police Chief

Permanent appointment of Emmett Pazia as Madison chief of police was confirmed by the Madison city council Monday night when the annual appointments also were made at the staff of Madison county Sheriff Barney Fraundorf.

Reappointed were Mrs. Neven Kacaleff and Mrs. Louise Lewis, library board; Joseph Purdes, police commissioner; Anthony Conroy, police pension board; Mike Kreshok, Harold T. Fisk and Elvis Johnson, playground and recreation board; John Gilehoff, corporation counsel; Nick Vaseff, city attorney; Stanley Lewis, superintendent of streets; Mike Kreshok, health officer; Chris Pascho, assistant health officer; Joseph Simon, custodian; Clavin Newton, plumbing and sewer inspector; Steve Kaman, building inspector; Joseph M. Brooks, highway consultant; Brookline & Co., certified public accountants for the city; Jerry Maerns, chain of rocks bridge superintendent; Harry Johnson, city defense director; and Frank Dutko, humane officer.

At the next meeting on June 9, the department heads will make recommendations on staff appointments. Bonds of city officials were approved after the major appointments were made.

Street Vending Ordinance
During the short meeting, the council adopted an ordinance establishing control over street vendors and concession vehicles operating on city streets. A \$200 license is required, and vehicles and equipment must meet health and other standards.

Mayor Maerns said the type of equipment would cost from \$12,000 to \$15,000 and the ordinance eliminates "fly-by-night" operators who formerly vend "goodies" from bicycle containers or push carts.

A preliminary discussion was held on the next budget, which will be considered at the June 9 meeting and a meeting of the finance committee.

Fire Capt. Eldon Rhoads and Firemen John Michaels were authorized to attend the annual state fire college June 8-11 in Champaign.

Steelworker Finds 2 Rare Books In Trunk
An American Steel Foundries employee, Samuel Brownlee of Godfrey, a core gauger, this week has found two of the sought-after Webster's Blue Book Speller.

The book was widely used in schools throughout the country in the 1800s and in a recent column by Southern Illinois University writer John Allen, who said it was believed only a few existed in Illinois.

Brownlee said his two books were found in a trunk which had been left to him by his father, Allen foresaw that perhaps some of the books still could be found in attics, closets or trunks.

I don't know exactly what to do with the books," Brownlee said. "I may give them to libraries."

Safety Council Hears Talk by France Laux
The antics of a Cardinal baseball great, Dizzy Dean, were the topic of a talk given by France Laux, co-manager of Tri-Mor Bowl and former baseball announcer, who was guest speaker at the annual attendance contest dinner meeting here Tuesday of the Madison County Safety Council.

The meeting at the Edks Lodge, presided over by Marvin Baird of Shell Oil Co., council president, was attended by 65 persons. W. P. Schwartzkopf of Sinclair Refining Co. was meeting chairman, and C. Season Swim Passes Go on Sale Monday
Season passes go on sale at 9 a.m. Monday at the Wilson Park swimming pool. The passes are for residents of the park district only. The pool's season begins Saturday afternoon.

Harold Brown, director of parks and recreation, also made the following points concerning the pool and park:

The park will be checked into the park office from the swimming pool. Women are urged to bring cash that will fit inside the lockers at the pool.

Bicyclists are asked to bring locks in an attempt to curb thefts. The park employees cannot watch the bicycles but the various boys were provided and have been ordered.

A state health regulation states that children wear swimming caps in the pool. This will be strictly enforced.

The pool concession stand and the main concession stand near the playground will be open this morning. For the apparently, the ice will be sold at the park.

Repair to Sewer Line Break Costs GC \$469
Repair to a break in an eight-inch sanitary sewer line at the rear of the Bellemeor Village shopping center cost \$469 to repair, it was reported yesterday by Street Supt. William Warfield. The repairs were made Monday and Tuesday.

He said a part of guide wire for a utility was broken, which broke the sewer line. A portion of it was found in the broken section of the line.

In order to stabilize the line, it was necessary to replace about 10 feet of pipe. Warfield explained. He set the costs at \$207 for 68 hours of regular-time work, \$150 for 23 hours overtime, \$100 for hiring a back hoe and operator, \$98.00 for the 30 feet of replacement pipe, \$100 for a gallon of sealer and \$135 for five pounds of kapok.

Methodist Church. The program is scheduled to begin at about 11 a.m. with Rev. H. B. Colquhoun of the Madison Presbyterian Church to give the invocation. Rev. Engelbert Bionk of St. Mary's Catholic Church will give the benediction.

Placing of Wreaths

Honekamp or Kenneth Hinson will make the introductions, and there will be selections from the two high school bands. Wreaths are to be placed on the Memorial markers at the center by the Legion Auxiliary and Gold Star Mothers.

The salute to the dead war heroes will be fired by the post's firing squad.

Units and organizations that will participate in the parade in addition to the bands will be Post 307 and Auxiliary, the Post 307 Sons of the Legion and Girl Scouts, the Gold Star Mothers, Boy and Girl Scouts, Civil Air Patrol cadets, the Madison Civil Defense organization, Veterans of Foreign Wars Post 1300, the Venice fire department and the Madison and Venice police departments.

Honekamp said two new additions have been made to the parade on the lawn of the Legion Post on Broadway. Two Perpetual Lights will be burning at the Tomb replica and at the John F. Kennedy Memorial.

Army Worms Invade County—Aerial Spray

Army worms have invaded Madison county farms, according to Truman May, county farm advisor, who said that crop dusting from the air began Tuesday to fight the worms.

"Orlie Bunker" of Farmer's Aero-Spray based at Lakeside Airport, said the worm, which is two to three inches long when fully grown, feeds on corn, hay, barley, soybeans and especially wheat.

"The worm usually comes in cycles, just like locusts," Bunker said. He went on to say, "Farmers can expect to be hit by them every 12 years."

May stated that this attack of the worms was the worst he had ever seen; and Bunker added, "We can't keep up with all the calls we have to spray fields in the county."

"We have received calls from adjoining counties and as far away as Indiana from farmers who want their crops dusted," he said.

Ida Hanfelder Attends National PTA Conference

Mrs. Ida Hanfelder, director of District 29 of the Illinois Congress of Parents and Teachers from Granite City, attended the 67th annual National PTA Conference, Saturday through yesterday, in Chicago.

About 2700 delegates from every state, Canada and Europe participated in the conference, and Mrs. Hanfelder was accompanied by Mrs. V. J. Brazier, East Alton, and Mrs. Howard Allen and Mrs. Roger Ehle, both of Wood River.

SWIU Shortens Registration: Seniors May Sign for Year

The first senior at Southwestern Illinois University's Quad-Cities-Edwardsville Campus to register for classes for an entire year at one time is Rita E. Owens, a fine arts student from Alton.

In the first major break through in shortening the registration procedure for students on the SWIU campus, Miss Owens completed in a few minutes time the registering for all the classes she will attend during the 1964-65 school year.

Registrar John H. Schnabel and assistant registrar James Holcomb were on hand at the university's Alton center to witness the event.

All SWIU students who will have senior status next year are eligible to sign up now for classes

for their final year. Schnabel said, "They will complete only one registration package instead of three as in the past. It will include program cards for the fall, winter, and spring quarters."

Billing of regular fees and tuition will be done on a quarterly basis so students will not have to pay for their entire year's education all at once, Schnabel said. Persons who decide to complete registration for next year at this time will be given a chance to make adjustments caused by unforeseen circumstances without being subject to the usual program change fee, he added.

Planning is also in progress to one-year registration procedure for their entire year's education all at once, Schnabel said.

Persons who decide to complete registration for next year at this time will be given a chance to make adjustments caused by unforeseen circumstances without being subject to the usual program change fee, he added.

MORE ABOUT GC School (Continued from Page 1.)

ter Duleroff at the board's request showed an Emerson addition estimated to cost \$82,000. It would include a kindergarten room, first grade classroom, a boiler room and possibly an office.

No Emerson decision has been made, pending further budget preparation and study of other possible remedies.

Fund Deposits

School funds are to be left on deposit with the Trust and Savings Bank, board minutes indicated. A decision was not reached at the May 13 meeting, but instructions were given later to the administrative staff.

The board had voted in June 1962 to place funds in that bank effective July 1, 1962, and to transfer them to the First Granite City National Bank on July 1, 1964, alternating them every two years.

The board has not revised the policy, but accounting forms which have been ordered show there will be no transfer, and said there will be clarifying action at a future board meeting.

Board Not Secretariat

The board Monday night gave the 36 school secretaries hourly wage increases of ten cents retroactive to July 1963, another five cents in 1964-65 and a further rise of ten cents in 1965-66—a pattern similar to that negotiated with custodial, maintenance and cafeteria employees.

The 1965-66 schedule for the secretaries to the superintendent shows hourly pay varying from \$2.00 to \$2.25, on no experience up to seven or more years of experience; key secretaries, accounting clerks and high school registrars, \$1.90 to \$2.25, no experience to seven years; and clerical secretaries, \$1.80 to \$2.10, no experience to six years; and clerk-typists and elementary school clerks, \$1.70 to \$1.85, no experience to five years.

The board authorized signing of written agreements with Building Service Employees Local 68, representing custodians and cooks; Carpenters' District Council Local 633, Painters Local 120, Laborers Local 397 and Teamsters Local 525 for the three-year period of July 1963-June 1966. The documents spell out a verbal settlement reached in April.

Park Recreation

By a 6-0 vote, with Board Member Robert Crider abstaining, the board permitted the Granite City park district to use the high school vocal music room four mornings and two evenings a week during the summer for its "music under the stars" program directed by Warren Simpkins, GCHS vocal music instructor.

Crider said he opposes use of school property, which is financed by both urban and rural residents, for park programs that are free to city residents but charge a fee for participation by persons from the rural area. Park district boundaries are smaller than those of the school district.

A reply to a school board question showed that insurance for the park recreation program provides medical benefits which would cover treatment provided by osteopaths and chiropractors as well as medical doctors.

Over 3600 in Summer School

Russell E. Johnson, who will become superintendent July 1, and Supt. Harold M. Kaiser reported that total summer school enrollment may top 2000 or 2500 this summer, including 1500 elementary pupils already scheduled to attend.

Under terms of newly-available state aid for summer remedial, strengthening and enrichment classes, there will be no tuition. A \$250 charge is planned for grade school pupils and \$3 for older students to cover textbooks and supply costs.

Six elementary schools, Coolidge junior high and Granite City high school are to be used from June 8 through July 24, a seven-week period.

Not all of a \$61,000 state grant for instruction of gifted children in 1963-64 can be obtained, but some will be released to the school district as reimbursement for equipment purchases and other phases of the program, it was reported.

Three principals or administrators will conduct a study project related to instruction of the gifted this summer. About \$65,000 state aid is anticipated in 1964-65.

A letter from a Houston, Tex., restaurant complimented touring GCIS band students on their discipline, manners and conduct.

Methodist Bishop Announces Changes

Rev. Dr. Clyde R. Funkhouser, superintendent of the Harrisburg, Ill., district of the Methodist Church since 1961, will be transferred to the East St. Louis district, replacing Rev. Dr. William L. Cummins according to an announcement this week by Bishop Edwin E. Voigt, of Springfield, leader of the church's Illinois area.

At the same time, Bishop Voigt announced the appointment of Rev. Ira L. Thetford, pastor of First Methodist Church in Carlin since 1962 and a former pastor of Niedringhaus Memorial Church here, to be superintendent of the Harrisburg District. Appointments are effective June 4. A daughter of Rev. Thetford, Mrs. Adalbert Ambuehl Jr., the former Karan Thetford, resides at 1838a Delmar avenue and is a member of Niedringhaus Memorial Church.

The 113th annual session of the Methodist Southern Illinois Conference, covering 39 counties, will be held at Union Methodist Church in Belleville Sunday to June 4.

Spring Festival Begins Tomorrow at SWIU

Southwestern Illinois University students will kickoff their annual spring festival this year with a series of community service projects.

Beginning tomorrow (afternoon) and continuing through Saturday, campus organizations will have members at Neighborhood House in East St. Louis supervising play and holding tests for junior high school students. At Camp Vandewater Saturday morning members of Alpha Phi Omega, Scouting service organization, will paint equipment; Delta Kappa Tau members will be at the Saksation Army Playground in East St. Louis all day.

Other features of the three-day festival will be a variety show Friday night, beginning at 8 p.m., at the Edwardsville high school auditorium, a semi-formal dance Saturday night at Trader Vic's in St. Louis, and a picnic and jazz and poetry program on Sunday afternoon at Kendall Hills.

Only 1 GOP House Candidate to be Named for County

Only one Republican candidate from Madison county will be on the ballot for the at-large election for state representative, Charles Barnett of Alton, chairman of the County Republican Central Committee, told the Press-Record today.

"I don't think this is right," he said, "but it is what the state central committee has decided, so if it is what the majority wants, I'll go along with it."

Barnett and State Rep. Ralph T. Smith of Alton are delegates to the state representative nominating convention to be held Monday at Alton. Smith will be on the ballot.

Democratic delegates to the convention, who also will be on the November ballot, are incumbent State Reps. Lloyd "Curly" Harris of Granite City and Leonard Kennedy of Alton.

Not A Candidate Barnett repeated that he had no plans of being a candidate himself, but some of the delegates to the convention will nominate other persons, and he felt that Madison county, with its large population, deserves to have two candidates on the Republican ballot.

With the at-large election, chances would be good to elect two Republicans from Madison county to the state house, he noted.

The county GOP chairman said he expects that an early agreement will be reached with the Democrats to nominate 118 candidates from each party to fill the 177 seats in the House of Representatives, as recommended by gubernatorial candidates.

date Charles Percy at the GOP state convention Saturday at Springfield.

Minority Representation Harris said that if this agreement is reached, the convention should not last very long. He said that the bill providing for the at-large election and for the nominating conventions limited the number of candidates to 118 to assure minority representation in the House.

He said that he does not expect the Democrats to have any difficulties—"It's all on the other side."

The state GOP committee is planning to purge several incumbent legislators from Chicago's west side for disloyalty to the party, Barnett said. "I told Mr. Percy that I would," and undoubtedly Smith also will.

Harris said that state committees now are setting up procedures for the convention and they will have to follow regulations provided in the bill, but that other matters must first be ironed out.

He agreed that some of the delegates will be acting as a proxy for someone else, including some incumbents who were reluctant to run as delegates.

If the 118 candidates are nominated by each party, they will appear on a separate ballot in the November election, will be deposited in a separate ballot box and will be counted by a special team, generally at county seat.

Voters casting the special ballot have a choice of voting for any number of candidates from one to 118. Harris previously recommended that county Democrats vote for either one or two candidates—himself and Kennedy.

OUTSTANDING ACHIEVEMENT AWARDS were presented Monday night to Mrs. Lida Theis, wife of Dr. E. H. Theis, 2823 Grand avenue, and Belleville Mayor Charles Nichols by the Madison-St. Clair County Juvenile Officers Association for their service to juveniles. In the ceremony, are left to right—State Police Corporal Robert Borutta, chapter president; Mayor Nichols, James L. Reidelberger, chief probation officer for the third judicial circuit; Mrs. Theis, Howard Moore, Belleville probation officer for the 20th judicial circuit; and George C. Teller, Granite City chief of detectives who made the presentation to Mrs. Theis.

Mrs. Theis Given Award For Work with Youngsters

Outstanding achievement awards were presented to Mrs. Lida Theis, wife of Dr. E. H. Theis, 2823 Grand avenue, and Belleville Mayor Charles Nichols at a meeting of the Madison-St. Clair County Juvenile Officers Association held Monday night at Grand Marais state park.

The two down-state nominees were selected by the awards committee of the Illinois Juvenile Officers Association at its convention May 12 in Chicago.

Granite City Chief of Detectives George Teller, who submitted Mrs. Theis' name to the awards committee, presented her with a plaque and noted her many years of service in dealing with youngsters.

He pointed out that while she is the mother of two sons, one of whom is a doctor and the other a lawyer, she still found time to take into her home 11 girls from all walks of life, educating and raising them as her own.

Some of the girls were acquired through the Madison county court, some from delinquent Youth Services, and others, hearing of her interest in youth, came to her on their own initiative, Teller said. He added that only one of the 11 girls had become incorrigible and beyond control.

Mrs. Theis is past grand guardian of the International Order of Jobs Daughters, State of Illinois division and past guardian of Bethel 43.

Cpl. Robert A. Borutta of Illinois State Police District 11 made the presentation to Mrs. Theis.

MORE ABOUT

Youth Hit By Car

(Continued from Page 1.)

The youth as he crossed the street.

McConnell was taken by ambulance to St. Mary's Hospital, East St. Louis, where x-rays revealed the fractures. Two adult witnesses told police that they did not believe the youth was walking in the crosswalk.

The youth was reported to be doing well at the hospital where he will be confined for about two months.

Hoffman was taken to the police station to face previous traffic charges for which he had failed to make an appearance. He was arrested last fall for speeding and passing two stop signs. He was fined a total of \$84, including costs, by Magistrate Gasparovic on those charges. No charges were filed in the current case.

Hits Signal Light

Margaret Henry, 23, of 901 Fourth street, Venice, was injured at 10 p.m. Wednesday when her car ran between strips of pavement and struck a signal light at Interstate 70 and Highway 203 near East St. Louis. She was admitted to St. Mary's Hospital, East St. Louis.

Hurt In Crash Today

Tonday Nelson, 21, of Belleville, suffered a possible jaw fracture and lacerations in a pileup of three northbound autos on State street at 13th street, Madison, at 6:40 a.m. today. Treated at St. Elizabeth Hospital here, he was later transferred to St. Elizabeth Hospital, Belleville.

Police said the front of Nelson's car hit the rear of another auto which then was pushed against the rear of a third car, causing the other motorists.

Man Injured

Gerald Mathenia, 33, of Rural One, complained of a pain in the back of his neck as the result of an automobile accident. He was treated at St. Elizabeth Hospital and was released. No report of the accident was available from Quad-City, county or state police.

Few men have ever reported of science.

Ex-Convict Arrested On Drug, Drunk Charges

Frank Stark, 29, of 2602 Kirkpatrick homes, who recently was released from prison was arrested at 10:15 p.m. Wednesday at the Club Delmar on charges of illegal possession of dangerous drugs and being drunk.

He pleaded not guilty today and \$1000 property bond was set by Magistrate Gasparovic for June 4 on the drunk charge and June 10 on the drugs charge. Stark had been sentenced to a three to five-year term on April 19, 1960, after being convicted of assault with intent to kill in the shooting of his father-in-law in Madison.

Truck Hits Parked Car

The left front of the parked auto of Samuel Krpan, 1628 Fifth street, was damaged at 1 p.m. Wednesday at Market and State streets by the truck of Charles Simpson, Kansas, 111.

Both were admitted to St. Elizabeth Hospital, Mrs. Krpan had severe pains in the right side extending to the left lumbar region. The steering column hit the Venzel woman in the chest causing her injury. Both cars were damaged.

Collide During Rain

Richard L. Whitehead, 24, of 1021 Grand avenue, Madison, suffered a cut on the left side of the forehead in a collision during rain at 1:25 a.m. today on Madison avenue at Sixth street. The front of his northbound auto hit the rear of a tractor trailer driven by Paul Tinsley, St. Louis.

Two women were injured when a southbound auto driven by Beverly Drennan, 35, of 20 Briardell, was struck in the rear by an auto driven by Ralph J. O'Neill, 44, of 527 Jefferson avenue, Venice, on Highway 3 at West Pontion road at 5:20 p.m. Monday. Mrs. Drennan was stopped to make a left turn.

Mrs. Drennan and a passenger, Eula Wheaton, 42, of 19 Briardell, received emergency treatment at St. Elizabeth Hospital and were released. Mrs. Drennan complained of neck and chest pains and the other victim had pains in the neck, back and right side. O'Neill was not hurt.

Rock Road Accident

Robert Rayburn, 17, of 2802 West 20th street, was injured when his auto slid into a ditch after he had made a curve on Rock road outside of Granite City, the county sheriff's office reported. The car rolled on its side and then back onto its wheels.

He was taken to St. Elizabeth Hospital by a passing motorist and was admitted with severe back pains. He also complained that he could not move his legs. A passenger, Raymond Jolly, 20, of the same address, was not hurt.

Revelist, 10, Injured

Michael Stephens, 10, son of Mr. and Mrs. James Stephens, 2644 Center street, was injured when he rode his bicycle into a driveway at 3117 Fehling road and into the path of a car driven by Gerald R. Walters, 2588 State street, causing a collision. The boy was admitted to St. Elizabeth Hospital with abrasions to the left thigh. There were two witnesses to the accident police said.

Man Injured

Gerald Mathenia, 33, of Rural One, complained of a pain in the back of his neck as the result of an automobile accident. He was treated at St. Elizabeth Hospital and was released. No report of the accident was available from Quad-City, county or state police.

Your Merc dealer
invites you to
compare
the fuel economy
of a Merc
with any
competitor's
outboard
of similar

Fuel economy is engineered
into every Mercury outboard.
The small-bore, short-stroke
design is one of the reasons
we can do it.

The small cylinders in a Merc
are more efficient in converting
fuel into useful energy
than the big cylinders found
in other outboards. Harmful
pre-ignition is minimized be-
cause the combustion is more
easily controlled in the small
cylinders. Not so in "big-
bore" outboards. Merc's
Power-Dome combustion
chambers boost the power
and further reduce fuel
consumption.

Mercs tolerate a greater de-
gree of spark advance which
is necessary for maximum
fuel efficiency at cruising
speeds. This makes Merc's
fuel economy linkage more
effective than those on com-
petitors' "big-bore" out-
boards. Merc's fuel-inject
carburetors and balanced in-
take manifold improve fuel
economy even more by making
out the exact amount of fuel
an engine needs at any speed.

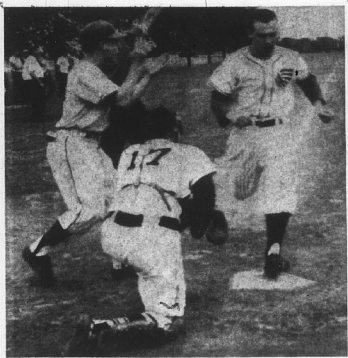

Mercury's lower unit design
and Jet-Flo exhaust reduce
underwater drag, giving
you more efficient power at
the prop. You get maximum
mileage from every drop of
fuel that you use.

Mercs will consistently give
you more miles per gallon and
more miles per hour than
competitors' outboards. Your
Merc dealer likes to compare
Merc's economy with other

Warriors Eliminated In Tense 2-1 Battle

Sacred Heart To Challenge Red Leaders

Trying to head off a high-
flying Collinsville team shot
at the divisional title, Sacred
Heart of Granite City calls on
the unbeaten Boosters at 2:30
p.m. Sunday.

The Boosters (5-0) appear to
be the team to beat in the
Red Division of the Southwestern
Illinois Inter-City Base-
ball League. And the team that
must be beaten is second-place
Sacred Heart (3-2).

An Inter-City pennant would
be Collinsville's first since 1946
when the St. Louis Indians won
the crown behind pitchers Butts
Fichter, Flip Messenger and
Louis Molinar.

Boosted by several players
from the now-defunct East St.
Louis Moose, the Boosters have
come a long way from last year's
7-15 cellar record. Hearts pilot
Dick Portell is expected to pitch
southpaw Cecil Simpson against
the title aspirants.

At Wilson Park here, Mercer
Funeral Home (3-2) takes on
the Pochontas Braves (2-3) in
a battle between Blue Division
clubs. The Mercers will be try-
ing to keep pace with division-
leading St. Clair Heating (4-1)
of East St. Louis, last season's

Unearned Runs Give Springfield Team 9-Inning Triumph In Sectional Finale

Two unearned runs gave the Griffin Cyclones of Spring-
field a 2-1 extra-inning victory over Granite City's Warriors in
the high school baseball sectional championship game yester-
day at Staunton. The winners advance to the state finals next
Thursday and Friday at Peoria.

Tension hung heavy as the threatening clouds while the
teams battled to six scoreless innings before the Warriors took
a 1-0 edge in the top of the seventh inning. The determined
Cyclones, however, tied the count in the bottom of the seventh
and ultimately won in the ninth inning.

The setback ended the War-
riors' successful season with 24
wins, 10 losses—the last nine by
one-run margins. It quashed the
team's hopes of taking the state
title after last year's second-
place finish.

Griffin, which had lost a dot-
bleheader earlier in the season to
the Warriors here, moves to
the state with a 20-8 record. It
is the first state trip for the Cy-
clones. Granite City had gone
last year, in 1950 and in 1948—
winning the title that time.

Opening-round games saw the
Warriors draw Atlanta 4-0 Mon-
day as Pat Harris and Doug
Winfield combined for a one-hit-
ter and the Cyclones beat Jerry
of Mendon 5-0 Tuesday on Jerry
Hammer's one-hit gem.

Lee Comes Through
The Warriors' scored their
only run in the seventh with
two outs. Bob Karandjeff walked
and stole second. Rich Lee, an
all-star last season, drove him
home with a ground-rule double
to the wheatfield in right-center-
field.

The Granite City portion in
the enthusiastic crowd of about
150 relaxed but not for long. In
the bottom of the seventh, John
Davsko beat out a blooper over
the head of firing pitcher Harris.

In a daring play, he stole sec-
ond base, safe by a whisker as
the Warriors disputed the deci-
sion. Griffin pitcher John Davsko

'Y' Graduates 574 In Swimming Safety

The local YMCA graduated
and certified 574 persons for sig-
nificant achievement in improv-
ing their personal water safety
abilities during the past year,
according to C. A. McMillan,
general secretary.

McMillan said the "Y" is recog-
nized as the leading institution in
the Illinois metropolitan area in
the field of water safety train-
ing and emphasis. Instruction is
offered in eight ability areas, in-
cluding junior and senior life-
saving.

Special events in the program
included water safety day, com-
petitive swimming workshop,
Bubblemasters, scuba diving
club and the underwater recov-
ery team.

In addition, the "Y" recorded
20,247 individual attendances in
formal educational swimming
opportunities. The recreation
family, mother-to, learn-to-
swim, swim-for-fitness and out-
side group programs involved in-
dividuals in the Quad-Cities and

Close Link Between GCHS, Junior High Athletics; Coaches Assigned

Coordination of high school
and junior high athletics in the
Granite City school system was
explained to the school board
Monday night by Athletic Di-
rector Richard Yates, whose
recommendations on 1964-65
coaching assignments were ap-
proved.

Yates stressed that regular
conferences are held so that
junior high students learn of-
fensive and defensive procedures
that will enable them to fit
easily into the high school ath-
letic program.

The tradition of excellence be-
ing established by GCHS var-
sity wrestling and baseball
squads was praised by school
board members, who expressed
the hope that there will be con-
tinued improvement in the cul-
ture of football and basketball
teams. None demanded cham-
pionships in these sports, but
all favored an end to the oc-
casional "doormat" status.

Good Junior High Records
Much of the discussion cen-
tered on the assertion that
Granite City junior high school
teams make outstanding records,
but that the same group loses
when facing the same foes at
the high school level.

Part of the blame was placed
on students who drop athletes
after gaining recognition in
junior high school and then be-
come absorbed in other inter-
ests, including autos, jobs, girl
friends and non-athletic school
activities.

Yates said the progress of all
athletes is followed closely by
the coaching staff, which strives
conscientiously to produce vic-
torious teams.

Parental Cooperation
He urged closer cooperation
by parents in ensuring that stu-
dents meet their scholastic and
athletic requirements.

The Granite City high school
coaching staff next year will
be as follows, with the head
coach listed first in each case:
Football — Jim Morrison,
Gordon Galbreath, Larry Burk-
hardt, Stanley Wojcik, Leon
Chappell and Conrad "Babe"
Champion.

Basketball — Andy Sullivan,
Roger Manuel and Dick Harmon.
Wrestling — Bill "Red" Schmitt
and Burkhardt.
Baseball — Joe Pedra, Gale
Garbe and Champion. Track —
Morrison, Sullivan and Chappell.
Tennis and cross-country —
Dick Harmon. Golf — Harry

Coolidge, Prather, Central
Coolidge junior high school
coaches will be as follows:

Football — Bob Ward, John
Tonoff and Charles Weiss.
Basketball — Tonoff, Garbe
and Mike Sikora. Wrestling —
Bob Moske and Walter Whit-
aker. Baseball — Tonoff and
Weiss.

Track — Ward and Gary
Pfeender. Tennis — Moske.
Intramurals — Pfeender. Man-
ager of athletics — Tonoff.

At Prather junior high, 1964-
65 assignments will be:

Football — Carroll Sanders
and Bob Stegemoer. Basket-
ball — Bob Miller, Maurice
Hemphill and Ralph Mangan.
Wrestling — Gene Froges.
Baseball — Stegemoer. Track
— Miller and Hemphill. Fall-
winter intramurals — Mangan.
Spring intramurals — Sanders.
Manager of athletics — Miller.

Central junior high coaching
staff members:
Basketball — Glen "Skip"
Hastings, eighth grade. Carl
Henson, seventh grade. Track
— Hastings (eighth). Henson

STRAINED ON HIGHWAY near Staunton Monday, Granite City baseball players had more than hour to relax on the roadside. In front of idled bus, left to right, are: Russ Peters, Larry Dillard, Rick Whitsell, Mary LeVout, Doug Winfield, Bill Evans and Bob Karandeff.

Sectional Sidelights

Bad Omen? Bus Runs Out of Fuel

A bad omen for Granite City? Maybe so—it happened just after Monday's victory over Atlanta at the sectional tournament.

The Warriors' chartered bus stopped dead on the highway just three or four miles outside of Staunton. The trouble was fairly common to vehicles that won't run—the fuel tank was empty.

So while fuel was being rushed from the bus line, Casseville garage, the players lounged on the roadside, and quenched their thirst at a nearby farmhouse. After an hour and 15 minutes, the trip resumed.

"This is the longest 40-mile bus ride I've ever taken," razzed assistant coach Gale Garbe to the bus driver as the team pulled into the school at 8:15 p.m.—about 2½ hours after the game ended.

"The delay gave head coach Joe Fedora a chance to ponder his team's spotty hitting, which had delivered only 10 hits in the last three victories.

"Any idea how we can get this ball club hitting?" he asked the Press-Record man. "Well, Ty Cobb always tried hitting," said the reporter, remembering his baseball fore.

Yes, but we tried that about five times today," Fedora mused. The strategy worked once when Rich Lee legged out a third-base line hunt in the fourth inning. The same inning, with

Madison Bowl Takes 11-1 Classic Victory

Kirkner-Madison Bowl downed the Oilers 11-1 Tuesday night in a Classic League softball game stopped after five innings due to the 10-run rule.

Winning pitcher Bill "Satch" Page allowed two hits. His teammates backed him with 10 hits including a triple and single by Tex Martin and two singles by Bill Curry. Page himself hit a double and single.

The night's second game was washed out by rain.

Misses 300, WIBC Title

10 Pin Stymied Mary Pashoff

A stubborn No. 10 pin cost Granite City's Mary Pashoff a 300 game and the top prize in U. S. women's bowling.

Mrs. Pashoff, 3113 Fehling road, returned home early this week after receiving \$260 for her efforts in the 44th Women's International Bowling Congress tournament at Minneapolis, Minn.

"Of the original entry list of 18,000 in the 45-day tourney, Mrs. Pashoff finished third in scratch singles with the 678 series she rolled May 16. First was Jean Havish of St. Paul, Minn., with 680 and second was Mary Ann Mullen of Perry, Ia., with 683.

Mrs. Pashoff received \$400 for her third-place finish and another \$100 for the third game in her 188-223-207 series.

She missed the perfect 300 in that game when the 10 pin was left standing in the ninth frame. She missed the spare and finished with three more strikes.

"I don't know what happened," she said. "It was a solid hit; in fact, I thought it was the best of the nine." A 300 would have given Mrs. Pashoff a 724 total and the championship.

It was the sixth try in the WIBC meet for the Granite City, who finished fifth in singles. Du-Bowl of St. Louis finished fourth in the team competition with a 2838 score, winning \$500.

This past season, she competed in three leagues—one at Tri-Mor, one at Bowland and a St. Louis traveling league—and maintained a 181 average.

She has been bowling 12 years.

Jiffy Squad Smacks 33 Hits, Wins 27-2 In 35 & Over Action

Jiffy Car Wash socked 33 hits last week and buried Laker 16 by a 27-2 score in the 35 & Over Softball League at Wilson Park. In the other game, Belle more Sporting Goods outslugged VFW Post 1330 by an 18-0 count.

Larry Puett's five hits in six trips, including a homer and a triple, paced the Jiffy club. Four other players—Dick Portell, Joe Barbesky, Rich Fry and Paul Thompson—gave four hits each.

Thompson gave up 11 hits but only two runs in pitching the victory. The Jiffy big innings were the eleven-run first and the nine-run third.

Both teams had 18 hits but Belle more doubled the VFW score. The winners took a 10-9 lead in the fourth frame and then clinched the game with an eight-run fifth.

Howard Champion's three hits paced VFW while Gus Lignoul, Von Dee Cruse and John Petriello had three safeties for Belle more. Lignoul hit a homer and triple.

Pat Patterson pitched the victory, with Giff McGovern taking the loss.

Explorers To Enter Another Canoe Race

Satisfied with their first performance in a canoe race last Sunday, members of Explorer Post Six are planning to enter a 16-mile race July 4 on the Gasconade river in Missouri.

The post team of Bob Eckert and Gene Sternberg Jr. finished 10th among 22 entries in the 16-mile race of a 22-mile race on the Current river near Salem, Mo. The time was three hours, 13 minutes. They were advised by Tom Hewlett and Don Rivenburgh Jr.

The Gasconade race begins at Rolla, Mo.

Meetings Tonight For Youth Squads In GC Park Loop

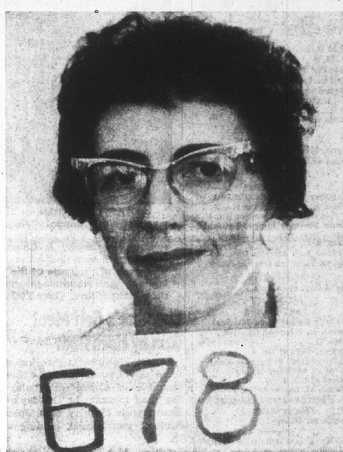

Two meetings for high school and college-age teams in the Granite City park district's softball and baseball programs are scheduled tonight at the Wilson Park office.

At 6:30 p.m., representatives of teams in the High School League, a slow-pitch softball outfit, will meet. Teams entered so far include the YMCA, King's Men, Explorer Post 13, Lincoln Field and the PFC's.

At 8 p.m., a meeting for the Junior and Senior baseball divisions will be held. Junior teams are First Granite City Savings & Loan, Nonday Optimist, Starline, Bi-Rite, Mercer Funeral Home and the Orphans. Senior teams are Granite City Steel Credit Union, American Legion and the Pat Schuman club.

Harold Brown, director of parks and recreation, said teams and players interested in joining the leagues should attend the meetings.

DOWNSTATE FISHERMAN'S GUIDE

by C. A. FRAZER

(Compiled from area reports by the Southern Illinois University Information Service.)

Crab Orchard Lake, fickle as always, smiled cooly upon her fishing admirers last week and decorated stringers with lunker bass. It was the first time this season, according to persistent anglers, that wind and water conditions were right for the shoals and stump beds where the big bass feed.

Red Riley of Royalton took five bass in 20 minutes on a surface lure off Piney Point, the largest fish scaling six pounds. Delmer Lewis of Carbondale also had a stringer of five, ranging from six to seven and a half pounds. The lake is near spillway level, and clearing.

Elsewhere in Egypt, bluegill fishing continued good, black bass fair and crappie slow. Surface lures accounted for most of the bass, worms and crickets for the bluegills.

Lake-of-Egypt continues to yield good stringers of bass ranging up to three pounds on surface and shallow running plugs. Crappie and bluegill fishing also is good, according to the dock reports. The water is clear, 38 degrees and is two inches below the spillway.

Bluegill fishing continues in the spotlight at Devils Kitchen Lake, while the persistent bass fishermen are scoring with surface lures. Little Grass Lake refused to yield any bass larger than 4½ pounds last week, although Otto Clements of Belleville displayed eight, one-pound crappies caught on minnows and Tom and Orville Bingham of Carmi took 40 bluegill on fly rod technique.

Alexander County residents like to fish better than the residents of any other county in the state, according to statistics gleaned from a monumental spe-

cial fisheries report, published by the Illinois Department of Conservation. One out of every four residents of Alexander County, bordered on two sides by the Ohio and Mississippi Rivers and containing 2,400-acre Horseshoe Lake, purchased a fishing license in 1960.

Nearest competitor in fishermen-per-population honors was Lake County, in the extreme north end of the state, where 23½ per cent of the 1960 population bought fishing licenses. Runners-up were Monroe County, with 21½ per cent, and Pike County, with 20.2.

For the state as a whole, 6.9 per cent of the population purchased fishing licenses and were legally eligible to drop a baited hook into one of the 60,008 ponds and lakes listed in the Illinois Surface Water Inventory.

Peculiarly, Perry County, whose biggest waters are the Pineyville and Duquoin city reservoirs, has a bigger percentage of fishermen in its population than Williamson County, which boasts the state's largest lake (Crab Orchard) as well as Little Grass and Devils Kitchen lakes.

Golf Permits to be Issued from Office

Beginning June 8, all permits to use the Granite City Army Depot course will be issued from the Granite City park district office at Wilson Park.

Park board secretary Frank Rea has been issuing the permit at Frank's Card Shop. The permits are available to park district residents through a special agreement with the Army Depot.

The change was made to allow Rea more time for private business. Users of the permits pay the usual greens fee at the course.

GOLF CHAMPION at the Tri-Cities Chamber of Commerce's ninth annual "Playday" Tuesday at Sunset Hills Country Club was Don Hochstadt (left) with a 74. Presenting the trophy is Chester Baker, Chamber president. Max Legate won the horseshoe championship. M. R. Don Hochstadt, shooting a score of 74, won the Tri-Cities Chamber of Commerce's "playday" golf tournament Tuesday at Sunset Hills Country Club. John Gitchett was second, carding a 75.

Other high finishers were: Tony Quersell, Vic Kostoff, Robert Maddox, Milton Mathews, Harold Karandjett, Randall Robertson, Dr. Leo Roman, Jack Mathews and Harold Medford.

In the horse shoe contest, which was directed by Albert Michel, Max Legate placed first followed by Philip Medford, K. J. Morrison and Walter Royski, in that order.

The team of Herman R. Mueller and Kyle Tatum captured the gin rummy tournament with Dr. John Lee and Jerry Maeros, placing second. R. C. "Tip" O'Neill directed this event.

Prizes were awarded to the winners at a dinner that night at the country club, and Hochstadt was presented a trophy.

Knotty Question Raised As Board Pines For Maple

Varied ailments encountered by Granite City high school athletes during a lengthy school discussion Monday night in which most board members indicated they are ready to authorize replacement of the GCHS gymnasium floor.

"There is no medical evidence linking injuries to any part of the school facilities, it was stressed. Construction of wooden sleepers, are necessary to prepare the gymnasium building for new flooring.

The administrative staff was asked to submit recommendations by the June 8 board meeting on who to hire as a design consultant. It is hoped that installation bids can be sought by June 22, with award of the contract by mid-July. Placement and sealing of the new floor is expected to take up to six weeks. Replacement was discussed last summer and fall but the topic was postponed until now due to a lack of time to complete either the replacement or resurfacing of the nine-year-old existing pine block floor, which shows no signs of wearing out. Use of a portable gym floor was considered last fall and dropped as being too awkward and costly.

GAA Gives Awards As 250 Attend Outing

Group games, a picnic, singing and presentation of awards highlighted the annual awards picnic of the Girls Athletic Association for students at Granite City high school and Prather and Co. Junior High School at Wilson Park. About 250 girls attended.

Top award winners included Judy White, GAA's honor award for excellence in scholarship, sportsmanship and leadership; Terry Labaree, best all-around four-year participant; and Nancy Rehms, all-around participant for 1963-64.

Also held was initiation of new members and installation of 1964-65 officers. The GAA here is one of 500 sanctioned by the Illinois High School Association. Emphasis is placed on intramural competition for girls in grades 9-12.

More than 30,000 students were spent in intramural participation this year at the high school alone. Awards' and the recognized were:

Chamber's Golf Meet Won by Hochstadt

Daniel Hochstadt, shooting a score of 74, won the Tri-Cities Chamber of Commerce's "playday" golf tournament Tuesday at Sunset Hills Country Club. John Gitchett was second, carding a 75.

Other high finishers were: Tony Quersell, Vic Kostoff, Robert Maddox, Milton Mathews, Harold Karandjett, Randall Robertson, Dr. Leo Roman, Jack Mathews and Harold Medford.

In the horse shoe contest, which was directed by Albert Michel, Max Legate placed first followed by Philip Medford, K. J. Morrison and Walter Royski, in that order.

The team of Herman R. Mueller and Kyle Tatum captured the gin rummy tournament with Dr. John Lee and Jerry Maeros, placing second. R. C. "Tip" O'Neill directed this event.

Prizes were awarded to the winners at a dinner that night at the country club, and Hochstadt was presented a trophy.

Knotty Question Raised As Board Pines For Maple

Varied ailments encountered by Granite City high school athletes during a lengthy school discussion Monday night in which most board members indicated they are ready to authorize replacement of the GCHS gymnasium floor.

"There is no medical evidence linking injuries to any part of the school facilities, it was stressed. Construction of wooden sleepers, are necessary to prepare the gymnasium building for new flooring.

The administrative staff was asked to submit recommendations by the June 8 board meeting on who to hire as a design consultant. It is hoped that installation bids can be sought by June 22, with award of the contract by mid-July. Placement and sealing of the new floor is expected to take up to six weeks. Replacement was discussed last summer and fall but the topic was postponed until now due to a lack of time to complete either the replacement or resurfacing of the nine-year-old existing pine block floor, which shows no signs of wearing out. Use of a portable gym floor was considered last fall and dropped as being too awkward and costly.

Mathews 'Moves' To Manchester

Manchester, Mo., will become the second home for the Mathews Chevrolet softball team for three and possibly four days.

The Granite City club plays there at 7:30 tonight in a Bi-State League game against Blue Circle. Then at 9 p.m. tomorrow, Mathews returns for the first round game of the Manchester invitational softball meet against Blue Circle.

A loss would put Mathews in Saturday's 1 p.m. game, or a victory in the 5 p.m. contest. Unless knocked out of the double-elimination tournament, the club will also play Sunday.

The team has a 4-2 record.

Registration Extended For Swimming Lessons

Registration for the Granite City park district's swimming instruction classes has been extended through June 5, it was announced today.

Children may register for the free lessons from 3 to 5 p.m. Monday through Friday at the Wilson Park office. So far 150 have registered, leaving 650 openings.

The instructions will be held in two sessions, the first starting June 15 and the second July 13. Each is for a maximum of 100 pupils.

Niedringhaus PTA Closes Season

The Niedringhaus school PTA held its final meeting of the season Tuesday evening in the school gym.

Mrs. Edwin Seibold, president, was in charge and an invocation was given by Edward Nichols. Girl Scout Troop 273, under the direction of Mrs. Wanda Salvo and Mrs. Belle Kuestler, presented the colors and led in the pledge to the flag.

A humorous musical presentation highlighted the program with Mrs. Kenneth McCrease as commentator and Mrs. Clifford Hickey, Mrs. Joe Kennerly, Mrs. Austin McClain, Mrs. James Elmore, Mrs. Thomas Alsop and Miss Linda Todoroff as models. There was a baton twirling exhibition by Ginger McClain. The remainder of the program was presented by sixth grade pupils. It consisted of dances, songs and games under the direction of the vocal music director, Mrs. Esther Vassilef.

Mrs. Kenneth McCrease, retiring hospitality chairman, was presented with a gift from the PTA board and Curtis Stover, Neighborhood Commissioner of Scouting, presented the Cub Scout, Boy Scout and Post 12 charters.

Plans were made for the annual picnic at 11:30 a.m. June 2 at Wilson Park, and the room count was won by Mrs. Berry's fourth grade room, and Mrs. Din's room.

Installation of officers was conducted by Harold Hillmer, a past president. The new officers are Jack Thomas, president; Mrs. Oscar Mooshegan, Mrs. James Elmore, and Mrs. Frank Palanski, vice-presidents; Mrs. Thomas McRaven, treasurer; and Mrs. William Albers, secretary.

A past president's pin was presented to Mrs. Seibold and refreshments were served by Mrs. Din's EMH group mothers.

Legion Unit 113 Plans Election

American Legion Auxiliary, Unit 113, met last night with Mrs. Evelyn McCollegan, president, in charge.

Mrs. Dorothy Best conducted the short memorial service for deceased members and plans were made for the next meeting when officers are to be elected. Delegates were named for the district meeting to be held in Alhambra June 10. They were Mrs. McCollegan, Mrs. Vi Kassabum and Mrs. Esther Harris. A report was also made by the Poppy Chapter, Mrs. Mildred Rice.

Mrs. McCollegan and Mrs. Kassabum were hostesses and Mrs. Dorothy Johnson, Mrs. Best, Mrs. Carmel Toller, Mrs. Helen Qualls, Mrs. Kassabum and Mrs. Luneta Durbin.

Oaklawn Terrace Women Meet

The Oaklawn Terrace Women's organization held a monthly meeting Wednesday in the home of Mrs. Edward Plesch, 59 Oaklawn drive. Mrs. Cletus Feig was co-hostess.

Luncheon was served to Mesdames Fred Belcher, Carl E. Mathias, Leo Anthony, Keith Jackson, Walter Rapp, Cora Watchel, John Kirchoff, Paul Worthen, John Tarpoft, Fred South, William Willard, Wallace Brylak and George Louis. The afternoon was spent at cards.

AMVETS AUXILIARY

The Auxiliary of Amvets Post 31 met last night at the post headquarters with ten members present.

Mrs. Bertha Maclos presided and contributions were made to Mental Health and Child Welfare departments. Reports of the District Five meeting last week were made and a letter of thanks for help to John J. Cochran Veterans Hospital was read.

Mrs. Pauline Wickham was presented with a wedding anniversary gift from her "secret pal," and plans were made for the installation of officers Monday. The "white elephant" went to Mrs. Maclos and refreshments were served to the Auxiliary and the Post.

MRS. ROBINSON HAS CLUB PARTY

Mrs. Ethel Robinson, 133 Trocadero lane, had a party for her pinocchio club, the Jolly Twelve, Wednesday, serving a noon luncheon before the games.

Winners of prizes were Mrs. Charles Sparks, Mrs. Kathryn Smithson, Mrs. Robinson, Mrs. Jean Barnes, Mrs. C. W. Genard and Mrs. Bercece Johannis-meier. The latter, a daughter of the hostess and a guest for the afternoon, assisted her mother.

The clubs next meeting will be held in two weeks at the Sparks home.

Veihl Renamed to Board

Reappointment of Ernest E. Veihl jr., 2401 Pontoon road, a General Steel Industries executive, to a five-year term on the Granite City Housing Authority board of directors was confirmed yesterday by the State Housing Board in Chicago. The appointment was made by Mayor Davis. Veihl has served two previous terms.

Coffee Thrown on Man

DeWitt Gathings, 336 Weaver street, Venice, was treated at St. Elizabeth Hospital and then transferred to Barnes Hospital, St. Louis, last night after hot coffee was thrown on him by a Weaver street woman at 2 p.m. yesterday. She said he had threatened her. No arrests were made.

Some Stations to Close

Some service stations in this area plan to close both Saturday and Sunday due to Memorial Day. It was reported today. Others will be open.

Beer-Drinking Youths Steal Motor, Caught

No charges have been filed yet against three Granite City youths accused of stealing an outboard motor from a boat at the Chain of Rocks low water pier early this week.

The sheriff's office today said information on the case has been turned over to the state's attorney's office for any further action. The three, 17, 18 and 19 years old, have been released.

They told deputies they had been drinking beer for five hours before the theft. They said they loaded a case of beer into a car and drove to the dam for another drinking session when they saw the boat and motor and decided to take the motor.

The boat and motor are owned by Robert Becker, Rural Route One, and Gus Smolar, 2417 Washington avenue. The youths were seen taking the motor by Jerry Opal of Warden, who informed police he

Granite City PRESS-RECORD Thurs., May 28, 1964 Page 9

questioned the boys and was told the motor belonged to the father of one of them. He notified the sheriff's office and the three who live at Kirkpatrick Homes were arrested later that morning. They did not tell authorities where they got the beer.

Talk on Middle East Customs of Egypt, Lebanon, Syria and Jordan were described yesterday to Madison Rotarians by Postmaster Harry photographic slides of his 1963 R. Johnson, who showed color visit to those countries. William F. Winter was program chairman. Annual club installation was set for June 17 at the Skaggs restaurant.

failures, including two at Dunbar school where the window was damaged.

McKinley Bridge power wires were blown onto the outer east-bound lane, striking the autos of Guy T. Chapman, 2712 Saratoga avenue, Mrs. Nevenka Kaeleff, 1901 Iowa street, Madison, and Roger Fritz, 2239 Cleveland blvd.

A wire blown onto the Broadway viaduct at 9 p.m. Tuesday entangled the auto of Clarence Benitz, Alton, Mo., damaging its hood, front bumper and grille. The car of Barbara Williams, 432 Lincoln avenue, Venice, ran across the viaduct wire.

Lightning was blamed for a fire that damaged an electric clock in the 13rd residence, 1003 Market street, at 9:35 p.m.

The storm set burglar alarms off at Cohen's market and at the Kirschner Hardware store, blew a window out of the Army Surplus store and blew trees down in the 2000 and 2100 blocks of Grand avenue.

outlook — it appears that the \$100,000 early surplus is doomed to cease. Under refinancing, the city probably would net about \$50,000 a year from the bridge.

Exact ways of financing the community centers, fire station and other improvements had not been decided. There had been some hope that they could be financed without further taxation.

The plan discussed with Gov. Kerner and highway department heads by Dr. Lee, State Rep. Lloyd C. Harris and Madison County Democratic Chairman Walter Simmons involved a loan of \$750,000 to \$800,000 from the city's share of motor fuel tax funds. It would have been paid off at \$15,000 a year, leaving \$10,000 in annual motor fuel receipts for Venice street maintenance.

Size and length of the loan were cited as factors in the rejection by state officials, who pointed out that motor fuel tax reserve funds already are used for various purposes before being distributed to cities.

The city's share of all aspects of the underpass project, which would end long traffic delays as trains enter Venice railroad yards, is estimated at \$600,000.

The state and federal government and railroads also are participating, and the terms have

Contracts Awarded Today for 2 More Buildings at SWU

Construction contracts for two additional buildings at the Quad-Cities-Edwardsville campus of Southwestern Illinois University were approved today by the university's board of trustees meeting at the local area campus.

The contracts, with general work awarded to Fruit-Colon Co., St. Louis, total \$8426,619 to build the University Center and communications building. Fruit-Colon also is general contractor for the other three buildings under construction—the general classroom building, the library and the science laboratory.

The general contracts amount to \$3,996,790 and total \$4,881,155 for the University Center and \$2,440,000 for general work and \$3,462,064 for total work on the communications building. Mechanical contracts for the two structures had been awarded earlier.

Cost Comparisons

The board noted the University Center total cost is 5.5% under the estimate, while the communications building total is 1.4% over the estimate.

President Delyte Morris was here from Carbondale for the board meeting which was conducted in the president's office on the new campus. Harold R. Fischer, local banker, is a trustee and also was present.

The board voted to increase rental fees for housing on the Carbondale campus. The increase will average \$3.40 a month. The rate for room and board in the residence hall will go up \$25 per quarter and the rental for a two-bedroom apartment will be increased \$3 a month, all effective the start of the fall quarter.

Among the promotions and changes approved for the faculty was the naming of Professor Gerald Runkel of Collinsville as head of the humanities division for the local campus. The new general classroom building is to be named the John Mason Peck building after the founder of old Shurtleff College at Alton.

Three Suffer Mishaps, Treated at Hospital

Three persons were treated at St. Elizabeth Hospital's emergency room as a result of mishaps suffered Tuesday and Wednesday.

Mrs. Virginia Gerling, 40, of 1204 Kirkpatrick Homes, received first and second degree to her right hand and arm when her oven exploded on Tuesday.

Audrey Allen, two, daughter of Mr. and Mrs. Fred Allen, 2318 Cleveland blvd., swallowed a nickel.

Essie Bixon, 50, of 2023 Sixth street, Madison, was bitten by a dog on the right forearm.

While backing an auto out of a drive at 2665 Grand avenue at 7:40 p.m. Wednesday, Linda S. Davis, 36, of 304 National avenue, damaged the right front bumper of a parked car owned by Mary Salena Schuch, 64, of Parkville, Mo. The bumper and molding of the moving car were scratched.

Businessmen Aid Boy Hurt in Mishap

"Is it for me? Thank you, thank you?" is what Michael Fuchs, eight-year-old son of Mr. and Mrs. George Fuchs, 2122 Lindell blvd., said when he received a surprise gift of a remote-control television set last night from Michael Vesel, who operates Vesel's service station, 2300 Pantoon road, and Russell Lockridge, owner of Russell's Auto Repair, next door to Vesel.

The second-grader at St. Elizabeth's school received a broken leg in two places and head injuries when he was on his bike and collided with a car March 17 at Lindell and Franklin avenue and since then has been either hospitalized or in his bed at home.

His mother said that he first was out of his bed on Tuesday and today went with his father to the dentist and to get a wheel chair from Catholic Charities.

Mrs. Fuchs stated, "It was so kind of the community who care that much about Mike, especially since we moved here only five years ago from Ohio."

"Mike's real popular with his three sisters now that he has a remote-control television set," she added, all the girls want to work the controls.

Vesel said he got the idea to take a collection for the set when he learned about the boy's accident. "I used a gallon oil can to take collections at the station and in two weeks Russell and myself were able to collect \$180."

"With a remote-control set, his mother won't have to wait on him so much," Vesel said.

County Dog Catcher Job is Open Again

Edward Canada of Granite City, dog catcher for Madison County, advised the rabies control committee of the county board that he is resigning. The committee is scheduling a meeting in Edwardsville to seek a replacement. No reason was listed for the resignation, as the committee members said Canada was one of the best men to ever hold the post.

The committee also is seeking a new site for a county dog pound.

Pulls From Curb, Struck

While pulling away from the curb, a car driven by Walter L. Williams, 29, of Rural Route One, was struck in the left side by an auto driven by Jesse Burcut, 37, of 2028 Illinois avenue, at 8:45 p.m. Thursday at 2237 Illinois avenue. Williams was charged with making an improper start from a parked position.

Girl Backs into Auto

While backing an auto out of a drive at 2665 Grand avenue at 7:40 p.m. Wednesday, Linda S. Davis, 36, of 304 National avenue, damaged the right front bumper of a parked car owned by Mary Salena Schuch, 64, of Parkville, Mo. The bumper and molding of the moving car were scratched.

Barry Loman Again Heads Park Board

No changes were made in the lineup of officers and appointed staff members of the Granite City park district last night as the annual reorganization meeting of the board of commissioners. The current fiscal year began May 1.

Barry Loman was re-elected president and Milton Worthen was again named vice-president, both unanimously. Also retained were Harold Brown, director of parks and recreation at \$8600 annually; (\$716 a month); Frank Rex, secretary at \$165 monthly; Randall Robertson, attorney at \$125 monthly, and Wilbur "Jack" Johnson, treasurer at \$75 monthly.

The commissioner also approved salary increases for Howard Hale, maintenance foreman up to \$350 monthly; and John Birdsong, recreation leader at the Community Center, up to \$4200 annually (\$350 monthly).

A new "family plan" season pass price for the swimming pool was passed. Cost is \$20 as compared with the \$8 for one adult and \$3 for one child. Passes go on sale Monday.

The board approved installation of a new fence around the Wilson Park fishponds at a cost of \$415.80, a standard salary of \$4 per game for softball umpires except in the High School League, and authorized \$80 to send 20 playground leaders to a Southern Illinois University workshop June 11-12-13 at Alton.

Brown announced that 8000 program books outlining the district's summer activities will be distributed Monday at grade schools.

The board discussed requiring medical insurance to be taken by all participants in park activities. This is necessary to meet a school board regulation on the use of school buildings. The matter was deferred to next month's meeting.

Car Stops, Hit in Rear

As it was stopped for traffic at 26th street and Madison avenue, a car driven by John W. Elston, 18, of Kilmunby, Ill., was struck in the rear by an auto driven by Christine Paschoff, 17, of 1230 Madison avenue, at 7 p.m. Wednesday. Both bumpers were damaged.

Two Autos Damaged

Cars owned by Larry Rainwater, 31, of 2401 Wilson avenue, and Arnold Mason, 45, of 2205 St. Clair avenue, were damaged in an accident at 8 a.m. today at 2671 Iowa street.

Red Reflector Stolen

James O. Tate, 3236 Aubrey avenue, reported at 10:15 a.m. today that during the night a thief stole two red reflector driveway markers from his front yard.

Board Meeting Set

A meeting of the Nameoki township board of auditors is scheduled for 7 p.m. Monday in the town hall along Route 162, east of Route 111.

PROGRAM SET TO INSURE QUALITY OF SOYBEANS

A new program designed to insure the quality of Illinois soybeans exported through the Port of Chicago has been announced by Gov. Otto Kerner.

According to the governor, who told of the program at the Illinois Grain Dealers Association's recent convention in Peoria, Illinois will be the first state to offer such a service.

"Starting in the future, grain certificates for export shipment of soybeans will carry information relating to the oil and protein content of the beans," Gov. Kerner said. "Because of the fine quality of Illinois soybeans—with their high oil and protein content—this information will enable us to open many new export doors."

To provide the new service, the Illinois Agriculture Department will expand the facilities of its Chicago grain inspection laboratory, the governor said.

There is no question that we in Illinois are leading in the production and distribution and quality of agricultural products," Gov. Kerner said in his speech.

WEATHER FRONT

The U. S. Weather Bureau 30-day outlook for late May to mid-June in Illinois is for precipitation to average less than 3 inches in the south and central and 2½ to 4½ inches in the north. Temperatures are expected to average above normal over the state.

RECORD CATCH

A new state record has been established for the redear sunfish, the Illinois Department of Conservation has announced.

Victor Crawford, of Villa Grove, caught a one-pound, four-ounce redear at Lincoln Trail State Park near Marshall on May 4. This is about 1½ pounds heavier than the previous record.

NO GENUINE CURE FOR DUTCH ELM DISEASE

In spite of frequent rumors that a remedy for Dutch elm disease has been discovered, no genuine cure has yet been found for infected trees.

This statement comes from Dr. J. Collier Carter, plant pathologist of the Illinois Natural History Survey. Dr. Carter and his staff have been working on the Dutch elm disease since 1950, when the first case of it was found in Illinois.

"While many people claim to have a cure for Dutch elm disease, all of them to date have failed to prevent evidence that is recognized as valid by responsible pathologists," Dr. Carter said. "The evidence must show difference in results between treated trees and those remaining untreated."

SPECIAL TRAINING FOR A ROUTE 66 TROOPERS

Gov. Kerner has announced Illinois participation in a seven-state enforcement and engineering study in U. S. Route 66. State police and highway engineering departments in Missouri, Oklahoma, Texas, New Mexico, Arizona and California, as well as Illinois, will cooperate in the study during June, July and August.

In each of the states, a special detail of select troopers has received specialized training to carry out the details of the program which has been designated "Project 66." The states' efforts will be coordinated by the Federal Bureau of Public Roads and the International Association of Chiefs of Police.

Objectives of the project include arriving at a formula to determine the number of police required to adequately patrol four-lane Interstate highways and to provide the most efficient assistance to motorists in need of an officers' line of duty.

STATE FAIR FEATURE

The U. S. Army's crack parachute team, the Golden Knights, will demonstrate their "aerobatic" skills during the 1963 Illinois State Fair.

Franklin Rust, general manager of the exposition has announced that a nine-man, free-falling, parachute team will appear during the first seven days of the fair.

FUEL FOR FARM TRACTORS POSES PROBLEMS

Many farmers are faced with a real dilemma when it comes to deciding what type of fuel to use in their farm tractors.

To actually compare LP gas with gasoline, you have to consider the tractor as hours of use per year, difference in fuel costs and the original cost of equipping the tractor for LP gas.

For example, if you paid \$300 more for a 60-horsepower LP-gas tractor, used it 600 hours a year and paid five cents a gallon less for the LP gas, at the end of four years the LP-gas tractor would cost \$20 more to operate than a gasoline tractor.

However, if the fuel differential was seven cents instead of five, you would save \$78 after four years of use. And if you used the tractor for ten years, you would save \$367, based on fuel consumption of 2½ gallons per hour.

Many proponents of LP gas claim that repair costs are lower for LP-gas tractors than for gasoline tractors. This difference may be less than expected because the engine, in which most of the savings occur, is responsible for only half of the total repair bill. Repair costs on such things as hydraulic system, transmission and tires should be equal.

In a ten-year period LP-gas tractors are probably subject to less major overhaul. Although spark plug life is longer on LP-gas tractors, service men generally agree that the rest of the ignition system must be in better shape to get satisfactory LP-gas operation.

LP gas also causes a minimum of engine deposits, but because of dryness and absence of wear-resistant deposits formed by lead in the gasoline, valve life may not be about the same.

Since there is little dilution in LP-gas tractors, the oil does not need to be drained often as in gasoline tractors. However, this saving will be low, usually less than \$10 a year, including filters.

FORMULA FOR RECORD CORN CROPS IS OUTLINED

Early planting, unusual good stands, high rates of fertilizer, excellent weed control and relatively little insect and disease damage, combined with good weather at harvest and a large dose of optimism on the part of Illinois farmers, produced a record yield of 83 bushels of corn per acre last year. Many farmers had confirmed yields of 150 bushels or more. This record was achieved after it appeared about July 1 that dry weather would seriously reduce yields.

Barely adequate, but well-timed rainfall in July saved the crop, says University of Illinois agronomist S. R. Aldrich, who conducted a survey of corn-growing practices for the 1963 crop. About 30 Madison county farmers sent in information about their corn-growing methods to assist in this survey. In areas with lowest rainfall, the soil type, long-term management and fertility programs and early weed control were unusually influential in determining corn yields. Farmers who gambled on favorable weather and used their usual good cultural practices produced a bumper crop.

The weather during the 1963 season was more favorable for corn than it may have appeared, says Aldrich. Temperatures were above normal from April to mid-May and below normal in July and August. Below-normal moisture in April, May and June was adequate for germination. It promoted early replanting and good weed control through cultivation. Rainfall in July and August was well distributed just before and after silking, the most critical time for corn.

Chow's re-emphasizes the need for early replanting. Farmers who reported planting corn from April 20 to 30 made 107 bushels per acre, while those planting from May 11 to 20 made only 97.8 bushels. For those planted on June 1 and later, yield dropped to 71.9 bushels per acre. With favorable weather, most of the corn in Madison county will be planted by June 10.

The 1964 Illinois State Fair will open Friday, Aug. 14 and continue through Sunday, Aug. 23.

BROKEN LEG HALTS MISSOURI VACATION

Waymon Pogue and Robert Pogue drove Sunday to Greenville, Mo., to bring home Mr. and Mrs. Kenny Moss from their cabin on the St. Francois River. They had been enjoying a vacation when Moss broke his leg while trying to help another motorist out of a ditch.

Mr. and Mrs. Jerry Easton and daughters of Ava, Ill., and Mr. and Mrs. Al Poole and daughter, Dawn, of Rockwood, Ill., visited for a short time Sunday evening with Mr. and Mrs. Denny Walton and children and Mr. and Mrs. Tom Sullivan and daughters, Sheila and Sandy. Mrs. Easton is the former Frieda Poole and she and her parents are former North Granite residents. They earlier attended the Orsburn family reunion.

Mr. and Mrs. Grant Harrison and sons, Darrell, 3032 Namodeli drive, visited through Sunday at Pinedeview Lake, water skiing, fishing, doing spring repair work, and enjoying the weather while visiting with some at their homes.

GIRL SCOUT PICNIC

Junior Girl Scout Troop 45 met Monday afternoon at Logan school with the leader, Mrs. Betty Doyle. The girls discussed their badges and made plans for a picnic next Monday at Wilson Park.

Scouts present were Cecilia Barnes, Cynthia Eganoff, Becky Frith, Barbara Hall, Marcia King, Connie Richardson and Nelda Walton.

CUB SCOUT DEN FOUR OF PACK FOUR MET MONDAY AFTERNOON

Instead of Wednesday in order to practice for a play they were to present at Tuesday's Pack meeting. The boys also made plans for a wienie roast to be held soon.

Boys present with the den mother, Mrs. Mabel Carter, in her home were David Carter, Herbert Davis Jr., Gary and Jimmy Garner, Scott Harrison, Billy Hunt and Ronnie Nunney, who served refreshments to the group.

CUB PACK MEETS AT LEONARD SCHOOL

Cub Pack Four held its monthly meeting Tuesday evening in the multi-purpose room of Leonard school with Committee Chairman Herbert Davis in charge. Cubmaster Jim Reynolds was absent because of a fractured leg received while retrieving a ball for children from the roof of his house.

Den Four presented a play about the life of the early American Indian. Three new members, Richard Lewis, Bruce Harrison and Johnny Snider, met their requirements and received bobcat pins. Cub Scouts signed an "American Heritage Scroll" to be presented to the Leonard school by the Pack sponsor. A special service award was presented to Pack Four by Goodwill Industries.

Achievement awards were presented to Robert Kiebler, Leo and Mike Robertson, Mike Reynolds and Herbert Davis. The attendance trophy was won by Den Four, which also served refreshments at the meeting.

Norman Cramer, scoutmaster of Troop Four was on hand to help with the activities. The next Pack meeting will be held at Wilson Park June 22 and will consist of competitive athletic games with Pack 19 of Washington school.

The plant which is related to early planting — also favored high yields. Corn tasseling earlier than average made 108.1 bushels, while corn that was later than average for the neighborhood made 100.7 bushels. Yields increased rapidly with increasing population even in a year in which rainfall was much below normal except for July. Farmers reporting plant populations of 18,000 to 20,000 had yields of 136.1 bushels. Farmers reporting populations of 16,000 to 18,000 harvested 115.8 bushels, and those who reduced plant populations to 14,000 to 16,000 also lowered their yields to 108.4 bushels per acre. Yields dropped markedly as farmers reduced populations from 14,000 to 10,000 plants per acre. Research shows that the total amount of water removed from the soil is nearly the same for all plant populations generally used. In this stands less water is taken up by the plants but more evaporates from the soil surface, and the total water that disappears from the soil tends to remain nearly constant. In thick stands, plants shade each other and less water transpires from the leaves.

The most commonly reported range of fertilizer used was 60 to 120 pounds of nitrogen per acre, 42 to 24.4 pounds of phosphorus (21 to 60 pounds of P2O5) and 0 to 60 pounds of potash (0 to 60 pounds of K2O). On 68 percent of the fields with no legume and manure, fertilizer was applied through the planter. On 42 percent it was side-dressed, on 36 percent it was applied in the spring before planting and on 20 percent it was applied the previous fall.

SEVENTH BIRTHDAY

The seventh birthday of Nancy Ahrens, daughter of Mr. and Mrs. B. W. Ahrens, 2836 Edgewood Avenue, was celebrated with a party Sunday in the Ahrens home.

Games were directed by Pat Ahrens and Vickie Drury.

A yellow and white decorated cake, ice cream and soft drinks were served to Nancy, Debra Ahrens, Leslie Bennett, Loretta Hatley, Gail Mezo, Beverly Edwards, Susan McKinney, Vickie Sanders, Kathy Williams, Mike Ahrens, Pat Ahrens and Vickie Drury.

Each child received a large lollipop, and the honoree was the recipient of many gifts.

Mrs. Mary Wallis of Willow Avenue, who underwent surgery at St. Elizabeth Hospital early this month, is recuperating there. She is doing as well as can be expected, but no date has been set for her release.

ATTEND FUNERAL

Mr. and Mrs. B. W. Ahrens and children, Patti, Mike, Nancy and Debra, 2836 Edgewood Avenue, returned Tuesday evening from Steelville, Ill., after attending the funeral of Ahrens' grandmother, Mrs. Mary Winkelman, who passed away May 23. She was 92 years old.

BANQUET FOR SCOUTS, BROWNIES, MOTHERS

A mother-daughter banquet was held Tuesday evening, with Girl Scout leaders of Wilson school in charge.

The banquet was held at St. John's Lutheran Church, St. Clair and Dale avenues, which was decorated with fresh flower centerpieces.

Brownies and Junior Girl Scouts presented entertainment under the direction of Mrs. Joan Oram, Mrs. Doris Voisak and Mrs. Denise Schmitz.

The leaders were introduced. They were Mesdames Carol McKinney, Kay Davison, Mary Sturdevant, Helen Schwendemann, Mary Gardner, June Legate, Mary Burris, Charlotte Lindner, Wilma Sellers, Marian Brown, Sybil Perry and Nadine Taylor.

HERE FROM MISSOURI

Mr. and Mrs. Bryan L. Waggoner, 2514 Grand Avenue, had as weekend guests their son and daughter-in-law, Mr. and Mrs. William Kenneth Waggoner and sons, Ronnie and Leslie, of Kansas City, Mo.

Virginia Wingo Sunbeams of Second Baptist Church met at the church Tuesday afternoon. Mrs. Betty Lewis, leader, led a study of a family in Argentina, and each one present made two small hand puppets to take home. Mrs. Lewis gave prayer, and the boys and girls all went to the pastor's yard to see his garden and flowers. Mrs. Charlene Sanders assisted Mrs. Lewis.

Members present were Marie Snider, Pamela Wyatt, Marilyn Mays, Vickie Welty, Debbie Freeman, Ann Snyder, Debbie Davis, Debbie Carmichael, Theresa Gilliam, Nancy Sanders, visitors Cynthia Wyatt, Vickie Mays, Norman Sanders and a new member, Ricky Abner. Also present were Patricia Davis and Kathy Fairley.

Evelyn Owen Sunbeams met at Second Baptist Church Tuesday afternoon and joined the Virginia Wingo group. The leader, Mrs. Crown, was unable to be present.

Those attending were Gail Wilmoth, Gail Lewis, Brenda Holloway, Janet Allen, Ruth Wyatt, Johnny Brooks, Owen Olive, Julie Whitson, Dennis Reynolds and a visitor, Kathy Farley, and two new members, Ricky Kiecher and Danny McCuskey.

Music, Honors, At Coolidge PTA

Rev. Frank Pierce, of the Naneoki Methodist Church, opened a regular meeting of the Coolidge junior high school PTA Monday night with prayers, followed by the pledge of allegiance to the flag, a vocal music program, awards for students' studies for the front of the school building.

Following the concert, the students presented Mrs. Frazier with a stereo set. Mrs. Frazier, who will be retiring at the end of the current school term, also was presented with an engraved pin from the PTA.

A vote was taken to purchase program awards for students' studies for the front of the school building.

Mrs. Lois Haynes, program chairman, presented trophies

from the PTA to the following students, who had averaged 3.0 in their studies from September 1963 until January 1964: Mary Benovsky, Phyllis Buda, Susan Boyd, Alice Cross, Barbara Field, Helen Hall, Carol Harris, Mark Hollich, Kathy Holmes, Rich Koser, Charles McMillan, Barrie Massie, Sara Rivenburgh, Claudia Thompson, Frederick Towse, John Wittenborn and Barbara Zimmer.

Earl Lee, administrative assistant to the superintendent of schools, installed PTA officers for the 1964-65 term. They are: Homer Johnson, president; Mrs. Olivia Kimmelman, first vice-president; Mrs. Mabel Gersich, second vice-president; Mrs. Georgina McMillan, corresponding secretary; Mrs. Kathleen Tadlock, recording secretary; and Mrs. Wilma McQuinn, treasurer.

Lee also presented a past president's pin to the retiring president, Mrs. Elva Mae Spieckland for PTA work done at Naneoki grade school and Coolidge.

Refreshments were served to the group by Mrs. Elsie Wood and Mrs. Betty Hamilton. The next meeting will be held in September.

ANNOUNCE BIRTH OF SON

Mr. and Mrs. Earl Thorson of Minneapolis, Minn., are announcing the birth of their first child, a boy named Glen Charles, on May 22. Mrs. Thorson is the former Mary Ortiz, daughter of Concepcion Ortiz, 1734 Poplar street.

MRS. VANGEL TO HEAD MOTHERS CLUB

The Lincoln Place Mothers Club held its annual banquet Sunday evening at the Rose Bowl in a private banquet room. As the mothers arrived, each was presented a corsage made by Mrs. Anna Kuruz, Mrs. Anna

Vehoff, Mrs. Mildred Grobowski and Mrs. Mary St. Ivany.

The mothers enjoyed steak and chicken dinners, followed with an election of new officers. They are: president, Mrs. Josephine Vangel; vice-president, Mrs. Anna Vehoff; recording and corresponding secretaries, Mrs. Mary Ann Domitrovich; treasurer, Mrs. Anna Kuruz; and cheer committee, Mrs. Mary St. Ivany.

A new member welcomed by the members was Mrs. Anna Andria. Gifts were exchanged. Present were Mesdames Verna Michel, Alice Dineff, Ann Vehoff, Anna Kuruz, Mary St. Ivany, Matilda Martinez, Josephine Vangel, Dorothy Perrillo, Victoria Buzoff, Mary Andria, Orelia Antoff, Mary Ann Domitrovich, Emma Kalpis, Helen Simpson, Anna Andria and two guests, Mrs. Elizabeth Gazo and Mrs. Jerry Stevens.

The next regular meeting will

take place June 4 at the Granite City park district community center. It will be the last meeting until September.

FIRST COMMUNION

Roberto Galvan, son of Mr. and Mrs. Ignacio Galvan, 1726 Maple street, and Debra Tinsley, daughters of Mr. and Mrs. Charles Tinsley, 2612 West 26th street, made their first Holy Communion Sunday morning at St. Joseph's Catholic Church.

WASHINGTON SCHOOL HOLDS PICNIC AT PARK
Washington school held its annual school picnic at Wilson Park Monday afternoon.

The children enjoyed a variety of refreshments. Each child received a limited amount of free tickets, and additional refreshments were sold.

A group of mothers rotated in serving the children from 12:30 until 3 p.m.

CUB PACK IS CIRCUS

Cub Pack 19 held a monthly meeting Monday night at the Washington school gymnasium.

The opening was given by Den Three led by Mrs. Jewel Weaver and Assistant Cubmaster Oliver Gilmore. A d. d. Committee member Lewis presented awards to the following cubs: Daniel Whitehead, James Abner, Martin McKuskey, Danny Anderson, Barry Jateff, Elton Oden, Donald Whitehead, Gay Lewicki, Michael Richardson, Jerry Cundiff and Robert Gilmore.

The attendance ribbon went to the Webelos den. The closing was presented by Den Four, led by the den mother, Mrs. Vivian Cundiff.

The cubs and cubbers enjoyed a circus, using the theme of "First Americans." The circus consisted of a variety of games, a pep show, fat lady, strong man, dart throwing contest, candy booth, group singing and a parade of hats, modeled by the boys, who wore hats they had made.

Prizes were awarded for the best hat to Woody Loveliff and the funniest hat to Barry Jateff. Den Four served cupcakes, milk and coffee to about 60.

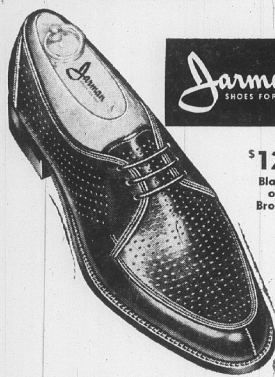

Attends Conference

Virgil K. Klaus, 2230 Edison avenue, a local practicing attorney, attended a management conference of the National Society of Public Accountants at the Pick-Congress Hotel in Chicago May 25-26.

JOINT MENTAL HEALTH WORKSHOP MEETING

Madison County Mental Health and Specialized Services of Madison County held a joint dinner meeting Tuesday evening, at the Stratford Hotel, Alton. State Sen. Paul Simon was guest speaker for the sixth annual meeting. His topic was "Our Present Status and Future Aims in Illinois" and dealt with

mental health and rehabilitation. Election of officers for 1964-65 was held, and the installation followed with Mrs. Robert Chapman acting as installing officer. Officers are Henry Dr. Karamoff, president, serving his third term in the office; Dr. Simon of Alton State Hospital, vice-president; Mrs. Vera Latrell, secretary, of Edwardsville; and Mrs. Josephine Gaylord, treasurer, of Alton. Karamoff commended officers and committees for their efforts during the past year.

He then introduced T. J. Fitzgerald, director of the Granite City unit, who discussed the clinic and its program now in progress, as well as expansion planned for the future. He reviewed services the community receives and said the staff has been increased and includes students from St. Louis University and Washington University who are training in this field.

Dr. Richard Lyon, president of the board of directors of Specialized Services spoke briefly on the association and introduced Joseph Baidler, director of the unit located in Alton. During his speech, Baidler said the service is for anyone 16 or older regardless of race or creed. The non-profit organization has a workshop to train disabled people and those with emotional or mental handicaps.

The public is being invited to visit the workshop, which is open Monday through Friday. After training of persons in specific skills and teaching of work behavior, they are placed in its industries throughout the state as they may lead a normal lives as possible.

Approximately 175 attended the dinner meeting.

News From The Files Of The GRANITE CITY PRESS-RECORD

MAY 29, 1914
Farmers of Madison county who had nearly succeeded in stamping out the Hessian fly now find themselves confronted by a newer and more formidable foe to large crops—the old army worm, which is infesting fields planted in corn, wheat, alfalfa and other grains.

Several farmers in the neighborhood of Granite City told the Press-Record this week that unless a heavy rain comes at once, sufficient to drown the invaders, the crops will be destroyed. The most conservative declare that the pest is a serious problem and that it will reduce farm output several fold.

About 300 persons called at the Lauff Hotel yesterday to honor Philip Lauff sr. on his 75th birthday.

Lodge 272, Loyal Order of Moose, is planning the Fourth celebration at Moellendrick's Grove, Horseshoe Lake. It will continue on Sunday, July 5.

25 YEARS AGO

The following items were taken from the files of the Granite City Press-Record.

MONDAY, MAY 29, 1939
Doris Margaret Chapman will be graduated today from William Woods College. She is the daughter of Mr. and Mrs. Robert Chapman, 2436 Benton street, and will be a member of the board of education.

Diplomas will be presented to 254 pupils of Central grade school at the commencement exercises which will be held in the school auditorium 2 p.m. June 1.

John H. Kleinschmidt, president of the board of education, will make the presentation and the program will open with the procession followed by the school orchestra.

Rev. E. A. McFarland will give the invocation, and selections will be sung by the school choir. This will be followed by the class play, "The Red Land", in which John H. Kleinschmidt, Edna Hienicki, Thelma Wimbler, Burton Bernard, Richard Day and Dorothy Dorch comprise the cast.

The SGN Bridge club met Thursday with Mrs. Frank Ketter, the members and a guest, Mrs. Charles Pauly, assembling for luncheon at 1 o'clock with the games following.

Mrs. William Ziegler held the 25th anniversary of the school with Mrs. William Swedler as second and third prize went to Mrs. James O'Brien.

Public grade and high schools in Venice will graduate 66 students this week. It was announced today by S. H. Gore.

Baccalaureate services for the high school seniors were held yesterday afternoon in the school gym, with Fr. E. J. Kinsler delivering the sermon.

Rev. Cecil L. Morris gave the invocation, and the choir sang selections by the school chorus, accompanied by Miss Cushing and directed by Miss Sullivan. A trumpet duet by Monica Fiecht and Dorothy McKay accompanied by Miss Cushing and directed by Miss Sullivan. A trumpet duet by Monica Fiecht and Dorothy McKay accompanied by Miss Cushing and directed by Miss Sullivan.

Commencement will be tomorrow night, with John L. Bracken, superintendent of schools at Clayton, Mo., as the speaker. Monica Fiecht will make the valedictory address, and the salutatory speech will be given by Dorothy McKay.

Each year as Memorial Day comes near, I think to myself, "Maybe this is the year," and then I go on hoping.

For the past year, at least six of them, when the memorial services are held at our city hall, I have taken only a few minutes to count the few people who have come to see and join in the Decoration Day ceremony.

As we approach another Memorial Day, it would be hard to remember all Americans who died in service of their country. But we can remember the ones who are still with us, and who are still serving their country.

But we can prohibit these vendors from jeopardizing our vendors. What real good are they to our community? They perhaps pay a fee to sell on the streets, but what little revenue is derived from this cannot possibly justify the danger to which they expose our children.

One of our neighbors has started a petition to rid us of the answer, because children of their anxiety sometimes fear drivers. Too, don't always have their minds where it should be.

For The Next School Election—More Time For Study, Suggestions By Citizens

Their views were not tallied, but those who failed to vote last Saturday played the dominant role. Their indifference to whether the Granite City school bond and tax referendum passed or failed is indefensible. If future events do not develop according to their wishes, they have no but themselves to blame.

Aside from the conclusion that a 2920 turnout was pitifully small on questions of such far-reaching importance, the election could be interpreted in various ways. Obviously, most of the participating concluded that what was proposed represented the actual needs of the school system.

For many, it was probably an emotional decision, a desire to vote more for their youngsters than they had enjoyed in their own childhood; numerous telephone calls to learn of the result indicated unfamiliarity with the actual details of the program on which the individuals had voted.

Only significant trends discernible were that voters favored the new junior high school the least of all the building projects (56% of those recorded on the proposition compared to 60% support for the high school addition), and that there was a still further drop in enthusiasm for the 40-cent education fund tax increase (51% favorable vote).

This is understandable in view of the school district's own estimates that its junior highs would be only 90% full four years from now, and in view of the fact that the education tax could have been resubmitted after two months for a 25-cent level. School officials may wish to take into account the 48 1/2% "No" sentiment when deciding how fast to utilize the newly authorized rate.

Certainly, Granite City taxpayers cannot be described as lacking in generosity. Their previous \$1.75 education rate and \$2.32 total school rate already were pace-setters in Madison county; the new potential figures of \$3.15 and \$3.47 are entirely without precedent in this area. Only the margin, not the result, raises storm warnings for future voting.

No one can know how the "absentees" would have voted if they had been able to go to the polls, but it seems fair to say that a longer pre-election period could have stimulated more interest, improving the size of the turnout.

More time not only would have enabled a larger group to become involved in the promotional campaign, but also could have provided an opportunity for detailed study and suggestions by committees in specific fields. In this way, citizens would have helped shape, not merely helped pass, the program.

Based on the trend in other communities, and a comparison of the declining victory margins in the 1953, 1957 and 1964 Granite City school bond elections, more extensive use of public knowledge and efforts will be essential the next time.

Prizes in the games were won by Mrs. Pauline Reiderberger, Mrs. Rose Schank, Mrs. Kathryn Fellers, Mrs. Henderson, Mrs. Eula Gotsis, Mrs. Daisy Ferguson, Mrs. Hilda Kinsler, Mrs. Wittenbrink and Mrs. Nell George. Mrs. Gladys Walsh of Madison was a guest at the meeting.

Sixteen pupils will be graduates at evening sessions of the schools which will be held at Nameok school at 8 p.m. Thursday.

Bernard S. Miller Jr., son of Mr. and Mrs. Bernard Miller, is the valedictorian of the class at Grace E. Stearns, daughter of Mr. and Mrs. George W. Stearns, is salutatorian.

The Marcella party, with Mrs. Joseph Masering as hostess, was another of the interesting club gatherings of the past week. At the meeting Thursday afternoon, Mrs. Masering and Mrs. Margaret Brooks.

Commencement will be tomorrow night, with John L. Bracken, superintendent of schools at Clayton, Mo., as the speaker. Monica Fiecht will make the valedictory address, and the salutatory speech will be given by Dorothy McKay.

MEMORIAL DAY

servings and dying on foreign battlefields was destined to rise sharply a short time later, with another holocaust following in the 1940s and still another in the 1950s.

But on Memorial Day 1914, none of this could be foreseen with certainty, although war clouds were already gathering. World War I began two months later, on July 28, 1914, and the U. S. became directly involved in it on April 6, 1917. Before the fighting had ended on Nov. 11, 1918, almost eight million soldiers had lost their lives and the war had cost participating nations \$200 billion. Despite the terrible suffering, it did not permanently settle problems that in a little over two decades would lead to further worldwide conflict.

Returning in memory to the pleasant days of May 1914 brings the thought that things might have been far different if people could have glimpsed what lay ahead; perhaps war might have been avoided and the millions of lives spared. But "if" is a big word. No one can see into the future, and we can turn the clock backward only to read what transpired; nothing can be rewritten.

Time Element Jeopardizing Ice Rink For Next Winter

As was brought out in an article on this page Monday, many community ice skating rinks have met with such enthusiastic public response that they have not only broken even financially but have shown a substantial profit.

Granite Cityans are eagerly awaiting the establishment of a rink in Wilson Park, and the park district has devoted much time and effort to a feasibility study. Unfortunately, continued passage of time is steadily diminishing hopes that a local rink can be constructed and placed in use by the start of the next winter season.

There is widespread hope that some acceptable form of financing can be found, and soon. If a revenue bond issue cannot be sold at this time, buyers can always be found for general obligation bonds. By starting out comparatively small but allowing for future expansion, a rink could be built at such slight cost as to make no appreciable change in the overall tax rate.

With revenue from skating and related concessions, the park district then could partially or totally offset the bond payments while simultaneously planning for even bigger facilities in the coming years.

Amid reports that the Swansea area is willing to approve water fluoridation, increasing attention is focusing on Belleville, the only other municipality whose authorization is needed by the East St. Louis and Interurban Water Co.

It is true that fluoridation was defeated soundly in a Belleville referendum last year, but it is also true that some aspects of the plan had been distorted in the minds of voters. Particularly since all other communities have now acted affirmatively, there is a valid basis for reconsideration; the alternative would be to deny dental benefits not only to Belleville families but to hundreds of thousands of people throughout the Illinois Metropolitan Area.

The Belleville Dental Society, most Belleville Parent-Teacher Associations, the Chamber of Commerce and many other groups have endorsed fluoridation. They urge families to recognize its value. With appropriate educational efforts, perhaps a doorway to better dental health can be found in what might appear to be an insurmountable roadblock.

Free Ads To Help Match Summer Needs Of Employers, Students

The Press-Record is happy to offer free "situation wanted" classified ads to Quad-City high school and college students. By applying any time before 5 p.m. next Tuesday, June 2, those aged 16 and over may run up to 25 words without charge in the June 4 and 11 issues.

We suspect that there are many individuals and firms in need of city personnel for part-time or full-time tasks during the summer vacation period. Many youths, in turn, need work to earn money for university tuition and other purposes.

With the help of our free notices, perhaps the two needs can be matched up in a manner highly satisfactory to all.

Load Limit For Cloverleaf Streets Sought by Alderman

Five-ton load limits may be "block" for sought for all streets in Cloverleaf subdivision with an eye toward eliminating the Bi-State Transit System's express-shopper buses.

A proposal was presented to the Granite City council Monday by Alderman Port Johnson. But he was promptly set back when advised the city cannot set load limits on streets. A few city streets that are maintained by city-supplied motor fuel tax funds.

Johnson indicated he was going to search out an arterial street map to determine what should be done. He pointed out the residents are continuing to complain of the fumes, noise and dust created by the unwanted buses.

Culvert Policy
A policy agreed upon by the Street committee that the city should shoulder no responsibility for culverts installed in street ditches for private driveway access was attacked by Street Superintendent William Warfield.

He pointed out the city street board have been installing them provided the householder furnished the private driveway in this order to maintain proper levels for drainage. Warfield explained that the city does not pay the maintenance tax.

Charge For Treatment
Alderman Charles Moerlein, chairman of the Special Pollution committee, said such property owners will pay for the maintenance of the sewage treatment plant.

G. H. Sternberg, chairman of the Street committee, reported the street department is repairing a sanitary sewer break at the rear of the Belleville school center. He said it appears to be a small break.

\$50 License Fee
In other action, the council adopted an amendment to the electrical code establishing a \$50 annual license fee for electrical contractors; and approved the appointment of William Hoelscher to the City Plan Commission to succeed his father, G. W. Hoelscher, who has retired.

A low bid of \$1,000 by Andy Johnson's Body Shop to repair the left door on police patrol car three, damaged in a recent accident, was approved. Alderman Samuel Whitmer, chairman of the Police committee, said the other motorist will be billed for the repairs. Other bills amounted to \$87 by Mathews Chevrolet and \$45 by Dempsey-Adams shop.

A complaint was made to the Street committee that voices from the Southwest Bell Telephone Co. were pumping water from a hole at Marysville street and that drainage had been disrupted.

Barnhart Guest Speaker
For Mitchell Kiwanis
District 12, Gov. George Barnhart of the Kiwanis club was guest speaker at Monday night's meeting of the Mitchell Kiwanis at Art and Norma's cafe.

Barnhart spoke about a possible joint money-making venture with the Glen Carbon club. Six Kiwanis clubs are present, including Golden Barton, vice-president, and a new Mitchell area school site, 1322-1210.

Memorial Day—A Century Later

Memorial Day is thought of principally in terms of World Wars I and II and the Korean war, but it also accounts for the bulk of the American veterans who use the occasion to honor fallen comrades.

But Decoration Day, as it is also known, dates back much further. It originated when southern women scattered spring flowers on the graves of soldiers during the civil war. Northern men also were honored in this way.

In 1888, three years after the war ended, Gen. John A. Logan designated May 30 as a special day for honoring the graves of Union soldiers. He was commander-in-chief of the Grand Army of the Republic, an organization of veterans who fought for the north. The DAR had charge of Memorial Day celebrations for many years, later giving way to other veterans' organizations.

In addition to the civil war, the observance later was expanded to include the Spanish-American war and then the conflicts of this century. It is a legal holiday in most states.

Many civilian graves also are decorated with flowers on Memorial Day.

Services related to war dead continue to be held, but have dwindled greatly in size and in attendance.

Two State Budgets In Preparation

Due to uncertainty over whether the Illinois constitutional amendment will be approved by voters in November, state agencies are preparing two budgets for the fiscal period starting July 1965.

The amendment provides for annual sessions of the legislature. The General Assembly would continue to meet for six months in odd-numbered years, and biennial sessions in even-numbered years, beginning in 1966, to consider state fiscal policies would be put on a year-to-year basis rather than the present two-year period.

The two-year budget will be drawn up first, since that is what the current law requires.

Industrial Safety Meeting To be Held at Alton SWIU

The fourth annual area industrial safety conference, sponsored by Northwestern Illinois University and the Madison County Safety Council, will be held June 3 at the SWIU campus at Alton with several local participants. The Quad City Safety Council is aiding in the planning.

Planned for industrial supervisors and safety engineers, the one-day meeting will have as its theme, "Safety and Profits." The keynote speaker will be Stanley Young, associate professor in management, St. Louis University, whose topic will be "Profit Maximization in Safety Decision Making."

E. Clark Woodward, safety director for A. O. Smith Corp., Milwaukee, Wis., will speak at a banquet in the Lewis & Clark restaurant, East Alton, to conclude the conference. He will be the guest of Clinton E. Blankenship, training and safety supervisor at the Granite City A. O. Smith Corp. plant.

Merrill E. Cox, safety engineer, Laclede Steel Co., Madison, will be chairman of a session on "Cost of Accidents vs. Cost to Prevent Accidents," while Charles Zeigler, safety engineer, Granite City Press-Record, will be chairman of a session on "Safety and Profits."

General Steel Industries, Inc. will be chairman of a session entitled "Workmen's Compensation." Others on the program include Clarence W. Stephens, SWIU vice-president; C. Mitchell Pierce, Monsanto Chemical Co. and president of the St. Louis Chapter, American Society of Safety Engineers; and Marvin B. Baird, Shell Oil Co. and president of the Madison County Safety Council.

The morning and afternoon sessions are designed for participants to swap ideas on safety, cost of accidents, workmen's compensation and safety supervision.

Madison county townships and districts have been allotted \$16,782 as their share of motor tax paid into the state treasury during April, it was announced this week at Springfield.

GC Payroll, Bill List Total \$50,732

A \$14,190 bill list and a \$36,542 half-month payroll were approved Monday night by Granite City Council members.

Largest item of the bill list was a \$12,291 monthly payment to United Disposal Corp. for garbage and trash collections during May.

The city also paid \$278 to Herman R. Mueller Insurance Co. for adjusted premium on the workmen's compensation policy. There also was a payment of \$15 to the John Baumann Safe Co. to change the combination on the vault door in the city treasurer's office.

Expense allowances included \$60 for Earl Bloomquist, city building inspector, and \$30 each to Alderman J. D. Borfield, Clyde Boyd, Ford Johnson, Walter Norn, Paul Rutledge, Casner Skubish, Samuel Whitner and \$16 to Alderman William McGee.

Maintenance, parts and fuel for city equipment amounted to \$236 for the week.

Theme from Romans to be Given at First Church

"There is no power but of God" from Romans, Chapter 13, will be the theme of Sunday's Bible lesson at all Christian Science churches, including First Church of Christ, Scientist, 2560 Delmar avenue. The subject is "Ancient and Modern Necromancy, alias Mesmerism and Hypnotism, De-nounced."

Passages from "Science and Health with Key to the Scriptures" by Mary Baker Eddy also will be given.

Names Added to Madison High Graduation List

Patricia Sue and Maggie Beatrice Byrd and Diane Elizabeth Byrne will be graduated tonight at commencement exercises at Madison high school.

Their names were omitted from a previous list given of the graduates.

Stolen Bike Recovered

A boy's 26-inch red bicycle with chrome fenders stolen from the Nameki school Monday afternoon was recovered by the owner, it was reported Tuesday morning by Mrs. Harold Caldwell, 1713 Spring avenue.

Four Hubcaps Stolen

George McCaslin, 3948 Lake drive, reported at 6:55 a.m. Tuesday that four hubcaps were taken from his 1963 auto while it was on the Granite City Steel Co. parking lot after 10 p.m. Monday.

Stop Signs Sought Along Terminal Avenue

Stop signs at four intersections along Terminal avenue were requested Monday night by Sixth Ward Alderman William McGee, who said speeding along the street has been causing concern among the residents.

He pointed out the serious accident which occurred Sunday evening when a five-year-old girl was struck by an auto while running to an ice cream truck.

McGee presented to the council petitions signed by 90 residents requesting the stop signs and calling for the abolishment of ice cream trucks. The alderman introduced the little girl's father, Roger Kieffer, 2423 Terminal avenue, who had circulated the petition. He said his daughter has a serious skull fracture but is expected to live.

Authorization was given for preparation of an ordinance to set up the stop signs, with the Police, Street and Traffic committees to submit their recommendations to City Atty. George Pileoff Jr. before next Monday night's session.

Locations Suggested

The signs were requested at Saratoga, National, Delta and Cardinal avenues on Terminal avenue and on Victory drive at Marshall street.

"That's the only way we know of to slow traffic," McGee emphasized when several aldermen said it was impractical to place stop signs at every block along a thoroughfare street.

No action was taken against ice cream vendors, other than a suggestion that police determine if each one has paid the annual \$100 license fee and does not zigzag along streets, parking on the wrong side.

Terminal Is Speedway McGee pointed out that Terminal avenue, which is one of two thoroughfares for the heavily-populated Glenview subdivision, is being used as a speedway by motorists, and that many children have no place to play.

St. Clair avenue is the other thoroughfare, and it has several stop signs and a parkway. He added that the old Illinois Terminal Railroad right-of-way behind homes along Terminal avenue also is a favorite route for auto racers. He asked that steps be taken to halt that practice.

Several aldermen suggested the park district be contacted to determine if a recreational area might be established for the Terminal avenue neighborhood.

Friday Holiday at City Hall Fails to Get GC Council Ok

A request for a Friday holiday for city hall employees failed to gain approval of an elected majority of Granite City council members Monday night.

The request was submitted by Robert McCormick, president of the County and Municipal Employees Union. The request also included the Friday before and July 4 holiday. Both Memorial

Day and July 4 are on Saturday this year.

The request received an 8-to-0 vote with the mayor and Aldermen Norn, Bergfeld and Thompson absent. Thompson arrived at the meeting shortly after the vote was taken.

The motion for the day off was made by Alderman Edmund Bartosik, who added the street department, and pointed out county offices at Edwardsville would be closed Friday in observance of the holiday.

While the 8-to-0 vote represented approval by a majority of aldermen present, City Atty. George Pileoff Jr. was asked for an opinion and the decision was that a majority of elected aldermen was necessary for approval.

In the absence of the mayor, who is conventioning in New York, there was no one to overrule the vote, and the motion was declared lost.

Proponents of the holiday pointed out that the city had workers were eligible for seven paid holidays, and that with Memorial Day and July 4 falling on Saturday, a non-work day they were being deprived.

Opponents pointed out the city had jobs are "good jobs" and it was unlikely that anyone would quit because of the council's decision.

Voting for the Friday holiday were Aldermen Skubish, Basa-vich, Mrs. Beline, Bartosik, Johnson, Boyd, Dallas and Moerlin. Opposed were Partney, who was presiding as mayor, Rutledge, Whitmer, McGee and Sternberg.

Laclede Steel Set All-Time Shipping Record

Laclede Steel Co. set a new all-time shipping record last month when steel shipments from the company's plants, including the Madison Works, totaled 48,420 net tons.

Statistics based on customer billings for the month of April showed that Laclede topped the previous high set in June 1959, of 47,594 net tons by 1.7 per cent.

Shipments of steel were tabulated from the company's other Madison county plant Alton, and from five southern fabricating plants. These are located at Memphis, Tenn.; New Orleans, La.; Tampa, Fla.; and Beaumont and Dallas, Tex. The Beaumont and Dallas plants make up the company's wholly-owned Southern States Steel Corp.

Laclede's April 1960, shipping mark was 46,964 net tons. Last month's total was 14.9 per cent higher than the previous month, March, when 42,228 net tons were shipped.

Last year, Laclede shipped 470,088 net tons of steel.

O'Fallon Kiwanis Guests Of Local Club Monday

Fifteen members of the O'Fallon Kiwanis club were guests of the Granite City Kiwanis at an inter-club meeting Monday night at the Rose Bowl restaurant.

Henry Hesse, president of the O'Fallon group, and O. B. Fulton, former vice-president of Division 14, led the visiting contingent. In business, a poll was taken to see who would attend the local club's outing June 7 at Leland Britt's home.

Robertson Named to State Family Service Board

Randall Robertson, local attorney, has been appointed to the governing body of the Illinois Association of Family Service Agencies which meets to handle problems of state agencies dealing with counseling services.

Robertson, a member of the Family Service Agency board that serves the Quad-Cities through its East St. Louis office and is a Tri-Cities Area United Fund supported agency, was named Monday night during a meeting of the area board at Grand Marais state park restaurant.

Driver Fined \$10, Costs

Rozell Davis, 48, of St. Louis, was fined \$10 and costs Monday by Magistrate Gasparovic on a charge of driving on the wrong side of the street. He pleaded not guilty to a charge of driving while intoxicated and property bond was set at \$2000 pending a hearing on June 10. He was arrested at 3:15 a.m. last Sunday in the 1800 block of Madison avenue.

Boy, 12, Suffers Dart Wound in Right Side

A young boy walking down the street became a dart board Tuesday for another lad who was throwing metal darts from his yard and wound up with a 500 average.

David Mathis, 12, son of Mr. and Mrs. James Mathis, 2334 Madison avenue, said he managed to duck the first dart thrown at him but the second struck him in the right side and caused a puncture wound just below the armpit. He was taken to St. Elizabeth Hospital where he was treated and released.

Also receiving emergency treatment at the hospital Tuesday was Violet Dennis, 23, of 2045 Russell avenue, who was bitten by a spider.

7 Quad-City Youths Report to Draft Board

Seven Quad-Cityans, all volunteers, reported yesterday morning to the county selective service office, Edwardsville, for armed forces induction. From there they went to a St. Louis Army examining center for assignment to training camps.

They were John Joseph Petrofsky Jr. of Madison, Gene Edward Chepey, Clifford Thomas Gerling Jr., William James Robinson and Kenneth James Davis, all of Granite City, and Curtis McClellan and Gary Dale Robertson, both of Venice.

Next month, one Quad-Cityan is to be drafted and 11 are to report for physical examinations on June 28.

'Greatest Natural Resource—Youngsters'

"Young people are our greatest natural resource," George W. Carson, outdoor editor of the Globe-Democrat, told delegates to the River Bluffs Girl Scout Council at a luncheon meeting Monday.

Carson said to the 125 persons present at the Lewis & Clark restaurant in East Alton, "Where can these youngsters get an appreciation of nature except through groups such as the Girl Scouts, taking them outdoors?"

Mrs. George Eubanks of Granite City, president of the council, presided at a brief business meeting in which by-laws for 1965 to 1967 were approved.

Sacred Heart Schedules Commencement June 7

Commencement ceremonies at Sacred Heart Catholic Church are scheduled for 11:15 Mass June 7 at the church, according to Sister Peter Damien, principal at the school. Sister Damien said that 61 students will be graduated.

The seventh-grade choir will sing the Mass, and Rev. Joseph Enright, pastor of Sacred Heart Church, will present the diplomas to the eighth-graders.

American Legion medals will be awarded and 26 students will receive safety patrol certificates. They are William Gass, James Hillmer, Edward Breidenbach, Walter Christiansen, Paulette Derossiet, Joseph Duvlin, Linus Hellich, Elizabeth Hogan, Donna Kolshun, Felicia Kosc, Sandra and Susan Lucido, Joseph Marzluf, Joseph Morrison, Charles Murphy, Richard Nolan, Michael Richardson, David Sallich, Marie Siebert, Donna Smith, Daniel Stack, Alexander Toth, Michael Turpenoff, Vincent Wichardt.

GC Rotary Club Hears About Gateway Arch

Speaking on St. Louis's bicentennial celebration, G. Edward Budd, public information officer of the National Park Service, U.S. Department of Interior, told the Granite City Rotary club at their meeting that the gateway arch, when completed, will hold 240 persons and will be visible 40 miles away.

Budd told the 45 members present at the YMCA, "If work schedules go as they have been construction should be finished next spring and opened to the public by July 1, 1965."

Capsule elevators, holding five persons each, will take sightseers to the top of the arch who want to walk; they will have to climb 300 steps to reach the top. Gene Alstad was in charge of the program and ceramic ashtrays made by the art department of Granite City high school were given to each Rotarian. Vincent Rosebud will have next week's program.

City Allocates MFT for Woodlawn, Plans Sidewalk Study

A motor fuel tax resolution for a \$50,000 project to improve a section of Woodlawn avenue and a study of the need for sidewalks along cross streets were among topics at Monday night's Granite City Council session.

Voted down was an amendment to the zoning code to permit construction of duplex dwellings and apartments in Shamrock Gardens subdivision, and the council was advised that a coin-operated car wash operation is to be installed alongside Updike's Service station, Nameoki road and Venice avenue, where there is a C-2 commercial zoning classification.

A motion to advertise bids for the Woodlawn avenue project was deferred until after the city hires a motor fuel tax project engineer. The mayor was

absent, and there was no mention of the resolution placed on first reading last week designating a St. Louis firm to do the MFT work.

Useless To Seek Bids Now

Aldermen pointed out it was useless to authorize a call for bids on the project when the city has no engineer.

Later in the meeting, Eighth Ward Alderman Ford Johnson presented a resolution to allocate \$500,000 MFT funds to improve Woodlawn from Wabash avenue to Marysville road. The resolution was approved. It calls for a 34-foot wide asphalt road, curbs and related drainage facilities.

Hazardous conditions for pedestrians because of the lack of sidewalks along cross streets are to be studied by the Street Com-

mittee with the possibility of instituting a long-range program. Examples given were 26th street and also 27th street between Benton and Adams streets.

Sidewalk Wanted On Iowa

Alderman Gabrielle Betteg said residents of the 3000 block of Iowa street are considering a petition to request sidewalks in that block which is becoming more heavily traveled as motorists attempt to avoid the Nameoki-Johnson road bottleneck.

Opposition was voiced by Alderman Samuel Whitmer, who said a retired housewife at 22nd and Monroe streets had installed such a sidewalk along his property at his own expense. "I don't think the city should use tax money for such purposes to improve private property," Whitmer added.

Three zoning requests also were presented to the council, which was presided over by Alderman Donald Partney in the absence of conventioning Mayor Davis. Partney is chairman of the Planning and Zoning committee. Also absent were Aldermen Walter Nona and J. D. Bergfeld.

Oppose Apartments

Immediate objections were raised by Alderman William McGee when an amendment to the zoning code was submitted to permit construction of duplex homes and apartments in Shamrock Gardens first addition. Although the City Plan Commission had first denied the request by HWR Development Co. in April, a rehearing was conducted and permission was granted to change the R-1 single family dwelling classification.

McGee said residents were unaware of the rehearing and that he had a petition with 64 signatures of property owners adjacent to the proposed developments and they unanimously opposed the zoning change. The amendment failed to receive a majority vote of elected aldermen with a tally of 8-to-6. Under study is another zoning change approved by the City Plan Commission for Neal Stewart of 2108 East 21st street to obtain a C-2 commercial classification for three lots in the 2300 block of Lincoln avenue zoned R-3 residential for the purpose of putting up a garage building.

The commission specified the change would not permit an auto body shop. The two Second Ward aldermen asked that action be delayed until they could talk to residents of the area. Partney reported the city council could do nothing to halt construction of a coin-operated

car wash operation at the Updike Service station, even though the exit may be about 10 feet from a rear-of-the-lot residence. He said the tract was zoned C-2 commercial. Placed on file was a letter from the Bi-State Transit System advising the council that no steps would be taken to restore the 11:13 p.m. run of the East Granite bus. The letter from Roy Krupp, Bi-State Transit director of planning, said the patronage averaged 7½ passengers per trip, where at least 3½ more would be required. He said revenue was 34 cents per mile and the trip represented out-of-the-pocket expense. "It is not feasible to restore this service," he advised the council.

Aldermen's Views

Alderman Casmer Skutumpah said Bi-State should restore the run as a community service for its patrons and absorb the loss with profits from other routes. The city was notified by the Illinois Commerce Commission of a change in the hearing date for a petition by the New York Central Railroad to remove its agent from the 20th street station. Instead of June 24, the hearing is to be held July 15 at Springfield.

Carrier Assignment For James Wallace

The Roosevelt provides a protective umbrella of combat aircraft for ships and ground forces of the European, African and Middle East areas. The Roosevelt is scheduled to visit ports in Spain, France, Italy and Greece.

License Plate Stolen

Theft of an Illinois license plate from her auto was reported to Madison police Tuesday by Betty Barr, 1661 Second street.

Chas. Hastings Aboard Carrier Roosevelt

Charles L. Hastings, Navy airman apprentice, son of Mr. and Mrs. T. R. Hastings of 4708 Kirkpatrick Homes, is serving aboard the attack aircraft carrier USS Franklin D. Roosevelt, operating as a member of the Sixth Fleet in the Mediterranean.

The Roosevelt carries 70 high-speed aircraft providing a protective umbrella of combat aircraft for ships and ground forces of American seapower. The Roosevelt is scheduled to visit ports in Spain, France, Italy and Greece.

Viaduct Collision

A collision of eastbound vehicles Monday on the Broadway viaduct at State street damaged the front of the car of Richard

Worthen Again Appointed As Treasurer of School System

Leslie Monroe Worthen, 2845 Feltz drive, a member of the Granite City school board since April 1960 and the school treasurer since July 1962, was named by the board Monday night to remain as treasurer for another year, July 1964-June 1965.

As in his two previous terms, Worthen will receive no salary. If a board member serves as treasurer, salary is barred by state law; non-board members are appointed as school treasurers and may be paid.

The vote was 6-0, with Worthen abstaining. Bids will be sought on the treasurer bond, specifications will list varying bond totals.

When Worthen was first named to the post, it was unknown whether the task would require a large amount of time. He said again Monday night that he felt it has proven to be no problem for a board member. Credit for smooth operation of the treasurer office was given to Victor Anderson, school district administrative assistant in charge of business.

Two-Year Johnson Contract
Attention was called to the fact that employment of Russell Johnson as the new superintendent of schools covers a two-year period, July 1964 through June 1966.

While that period was discussed during the meeting at which he was hired, May 14, it was understood then that it would be omitted from the motion picture which he was to make.

Minutes approved Monday night showed the 1964-66 dates and were inserted in the minutes that Johnson will serve at least the two years. His service will not be interrupted, however; whether it will continue will be determined at that time in line with his retirement plans and other prevailing circumstances. Salary has not yet been voted upon.

Vocational Assistant
Bobby R. Neighbors, Belleville, was designated by the board as full-time assistant to the director of vocational education, J. A. Wittvergel. An industrial drafting teacher, he has been spending half-time assisting Wittvergel since January.

His half-day duties have been financed by state and federal reimbursements and the Granite City Steel Institute. The additional half-day also will qualify for state and federal funds.

Granite City has the largest night school program for vocational education in downstate Illinois, and the fourth largest vocational high school program in the state.

Teachers hired for the 1964-65 year included seven for undesignated positions: Helen Warren, 3009 Warren; Ruth Ann Miller, 2328 W. 24th; Traci Lynn Moss, 2216 Lincoln; Benita Pickering, 2148 Orville; Fred E. Revoir, 2259 Benton; Lucy Romines, 608 E. Chain Road; and William R. Simmons, 1135 Reynolds.

A HELPFUL HINT TO GAS HEAT CUSTOMERS:

Keep your furnace pilot on—and you'll keep rust out!

Heating contractors tell us that one of the greatest causes of furnace replacement is rust. Even in a dry basement, the wet-and-dry summer periods can cause condensation and moisture in your furnace, leading to rust and corrosion. By leaving your pilot on, and the thermostat turned way down, you keep the air dry and eliminate rusting problems. The cost of operating the gas pilot is low—it is the cheapest possible rust insurance.

OTHER ADVANTAGES—When the furnace pilot is on—you have instant automatic heat whenever you want it. Unexpected cold weather, damp nights or sickness often bring a need for heat. If the gas pilot light is on—heat is immediately available at the turn of your thermostat. Turn the heat on—or off—at your convenience. And it's ready to go at the first sign of cold weather next fall.

Note: Air filters should be replaced before next heating season.

Miss Dorothy Hirtz, 34, Dies Suddenly

Miss Dorothy Hirtz, 34, of Fairmont City, sister of five Quad-Cityans, was dead on arrival at 8:25 p.m. Monday at St. Elizabeth Hospital. Miss Hirtz, ill for six months, collapsed from an apparent heart attack about 5 p.m. at her home and was rushed to the hospital by ambulance. An inquest will be conducted by Henry Pieper, deputy coroner.

Born in Venice, she had lived in Fairmont City nine years. She is survived by her father, Frank W. Fairmont City; two brothers, Walter Pontoon Beach, and Clarence, Fairmont City, and five sisters, Mrs. Thomas (Bernice) Rich and Mrs. James (Pauline) Marsh, both of Granite City; Mrs. Fred (Mary Ellen) Williams, Pontoon Beach; Mrs. Carl (Josephine) Jordan, Madison; and Mrs. Charles (Catherine) Russell, Collinsville.

An obituary notice is given elsewhere in this issue.

Liquor License Ok'd For Arlington Club

A county retail liquor permit with a June 1 starting date has been issued to Arlington Golf Club, the Quad-City's only 18-hole private golf course, on Rural Route One east of the junction Routes 111 and 35 in Name-odd township.

The license has been issued by County Liquor Commissioner Harold Landolt on the application of Avery Schermer, president of Golfside Development Corp.

Other officers listed on the license application were Kelley Dutton, vice-president, and Michael Sasek, secretary-treasurer; and directors Madison Mayor Stephen Maerz and Ben Zimring.

The course is scheduled to open June 1.

Episcopal Advance Fund Tops \$500,000 Goal

The Episcopal advance fund campaign has over-subscribed its \$500,000 goal by \$125,798, it was announced this week by Right Rev. Albert A. Chambers, Bishop of Springfield.

The funds will be used to build a new Synodical Center in Springfield and office for the bishop; to improve the summer conference and retreat center near Decatur; to expand work at state universities and private colleges and to establish new missions.

Fishery Biologist to Give Advice on Weed Control

Roy Lockart, district fishery biologist, will give advice on problems concerning weed control and stocking of fish in ponds from 10 a.m. to 4 p.m. Wednesday at the Madison County Farm Bureau Building, Edwardsville. It was announced. The public is urged to present aquatic weed samples for identification and type of control necessary.

Heads Police Group

Granite City Detective Michael Devine was elected president of the Madison County Police Association and Detective Ronald Virez was named treasurer during a recent meeting at Edwardsville State Police Capt. Paul Tolant of Madison was elected vice-president.

Candle Ignites Clothes, Girl Severely Burned

Karen Earhart, 12, daughter of Mr. and Mrs. Robin Earhart, Collinsville, was admitted to St. Elizabeth Hospital Monday after her clothing was ignited by a burning candle and caught fire.

She was treated for first and second degree burns to the chest, face, right arm and thumb. In other mishaps early this week Susan Foster, three daughter of Mr. and Mrs. Henry Foster, 2741 Dale avenue, injured the fingers of her left hand which was caught in a car door, and Opal Bingel, 44, of 2914 Roosevelt street, who fell out of a car and suffered abrasions to the left shoulder, arm, thigh and hip. Both were treated and released.

Auto Radiator Hose Breaks—\$200 Blaze

A radiator hose broke and sprayed antifreeze on the engine of a 1958 auto owned by Howard Probst, Collinsville, causing a fire which burned all of the wiring under the hood and dash at 7:50 p.m. Monday at Nimeoli and Edwardsville roads. Firemen set the loss at \$200.

Firemen also responded to an alarm at 7:55 p.m. at the home of Virginia Waterman, 3000 Palmer avenue. Worms were being burned off of a large bush which ignited.
